

ADA/TTY Contact Information:

- Accessible formats of Towns County Transit materials are available upon request.
- Riders can make this request by calling (706) 896-2276 or using the Georgia Relay Service: 711
- Telecommunications Relay Services (TRS) permit persons with a hearing or speech disability to use the telephone system via a text telephone (TTY) or other device to call persons with or without such disabilities.
- To make using TRS as simple as possible, dial 711 to be automatically connected to a TRS communications assistant.
- Dialing 711 allows both voice and TTY-based TRS users to initiate a call from any telephone, anywhere in the United States, without having to remember and dial a ten-digit access number.
- Georgia Relay can be used for contacting Towns County Transit for any purpose, including booking, eligibility, or customer comments.
