

THE GREAT TOMATO GROW-OFF

Ages 6-12

Grow your own tomato plant, with coaching by the Calvert Co. Master Gardeners, while learning about science, and compete for the grand prize. We give you everything you need to get growing. All we ask is to upload pictures of your plant, collect some data and answer some science questions online as the season goes on. Competition begins June 3, 2023 and runs through September 2023.

**Space is limited so preregistration is a must.
