

EVOLVING *Pictures*

Evolving Pictures Entertainment has been Privileged to sign, (what many Executives confirm),

an Exceptional Contract for **'Mad Monster Party'**, with **20th Century Fox Film Corporation**, to Produce and Distribute the remake, including all Sequels, Spin-offs, and Merchandising.

Twentieth Century Fox is already rejoicing in the success that **'Avatar'** is experiencing. 'Avatar' has the distinction of being the **highest grossing Feature Film of all-time**, approaching \$3 billion in

box-office revenues. This doesn't account for the Home Video and Television income which adds significantly to the Feature Film's earnings. 'Avatar' earned \$190 million from DVD and Blu-ray units in North America, and over \$300 million world-wide.

Twentieth Century Fox is extremely excited, and has expressed nothing but the utmost respect, gratitude, and enthusiasm to Evolving Pictures Entertainment for granting them the opportunity to join forces with our Company to re-create the **'Mad Monster Party' Classic**.
