

All Lesson Packages begin with an hour evaluation and planning session. Evaluations are not required for Puppy Classes. Lesson packages decided on during the evaluation must be paid prior to beginning work (payment structure can be discussed during the evaluation) and there is a \$35 cancellation fee for scheduled lessons cancelled with less than 24 hours notice.

The new adjusted fee structure is to ensure both parties' commitment to the agreed upon program. Future lesson structure can be decided as progress is made.

Below – please find an outline of typical (not guaranteed) program structures – after the initial evaluation:

Individual Private lesson at Training Center	1 hour	\$100
Private In-Home Lesson (within 20 miles)	1 Hour	\$110
