Date: August 13	Time: 12:30 pm – 3:30 pm	Disciple Room 229
<p>Bill Moyers presents his PBS perspective series, of which we sample two parts, exploring end-of-life issues from health care to cultural attitudes. This documentary describes our struggle with our own mortality as we seek to die in a way that has meaning for us. Although this documentary is 20 years old, it is timeless in its meaning. It's not just about dying, it's also about living with your own mortality and how to make the most of it. Healthcare in America at the time is also discussed. We can look at how it has changed over the years and what options we face today.</p>

OWLS are Older, Wiser, Livelier Seniors . . .

OWLS is an organization formed in 2005 by members of Community United Methodist Church (CUMC) in Elm Grove. Our purpose is to serve older members of the congregation and the surrounding community. We provide friendship and

fellowship to all of our members through entertainment, fun, inspiration, adventure, and service to the community. We'd love to have you as a member. Find our latest information and download the registration form at our website: www.cumceg.org. Click the Seniors tab on the Quicklinks menu (left side of web page) to find OWLS. Mail the form with your \$12 fee to join OWLS. The membership year runs January 1 – December 31, but you can join at any time.

Schedule: The Elm Grove School for Lifelong Learning (EGS4LL) operates for **two sessions** during each year – **Summer Session** (one six-week term) and **Fall Session** (one ten-week term). The Summer Session begins in July (after July 4th) and ends in mid-August. The Fall Session begins in mid-September and runs to mid-November. There are separate catalogs for these two sessions.

Classrooms: There are three classrooms in use for the school. Two of these classrooms have an exterior door so that access is possible directly from the parking lot. Highland Room, 233, has a ramp and door entrance at street level. Disciple Room, 229, has an exterior door entrance at street level. Revelation Room 230 is accessible inside the building. Follow the signs inside the church.

EGS Membership: The school offers an optional annual membership option for a low \$10 fee. Membership entitles you to enjoy the lower prices for classes quoted in this catalog and you are placed on an early mailing and email list.

Registration: Register for classes by mail by filling out the registration forms in the catalog and mailing them to us with the information requested. Make a copy of your form and mail it with your fees to: CUMC-EGS4LL, 14700 Watertown Plank Road, Elm Grove, WI 53122. Registration is based on the date the forms are received. Maximum enrollment for any class is around 25 people, sometimes less. Classes may fill quickly; so please register early.

Cancellation/ Refunds: Refunds are issued only if a class is cancelled. Some classes may be cancelled if enrollment is low, so it is best if you register early for classes you like to help assure the class can be taught. Classes may be cancelled for inclement weather. Absences from classes will not be refunded, including brief illnesses, conflicts, or moving out of the area. Refund policy will be strictly enforced. Please choose your classes carefully. Contact staff if you have questions or needs.

Weather: In general, the school will follow the guidelines for the Elmbrook School District for inclement weather. You should hear the announcement on radio or see it on TV. If a class is held only one session, a cancellation will result in a refund. If an alternate date or multiple sessions are held, we will try to include missed content in the other or later sessions. Also, call or check your email.

Parking: Parking is FREE and available in the CUMC Parking Lot, which you can access via Watertown Plank Road and/or the Madera Circle. There is limited parking on the west side of the church off Highland Drive. **NO PARKING** is permitted on Highland Drive itself.
