CORE STANDARDS

January 1-December 31 is the new compliance cycle. It is no longer 18 months. So, there is less time to get all of the criteria met.

Michael is looking for 3-4 volunteers for the Core Standards Committee. The Core Standards Committee would meet 1 hour per month. Lunch would be provided by PCBOR.

The Committee would be made up of:

Front person: community outreach.

Media person: showcase our efforts on social media, newspapers.

Financial and Tech person: a small but sometimes techie bit.

Advocacy Person: political action.

Members that volunteered: Peg Sundling, Jon Ellen Snyder, Brooke Weimer, Carol Bolton.

Some ideas for PCBOR member involvement would be taking part in the coat drive, River Cleanup April 26th, helping with Farm to School gardens.

Jon Ellen motioned to do an "ad" in a newspaper not to exceed \$500. All were in favor.

Jon Ellen motioned to have PCBOR provide lunch for Core Standards Committee for the 1-hour meeting /month. All were in favor and approved.

Respond to 'Call to Action'- gives compliance points. As PCBOR members we all need to do our part to help with this so that our Board is not 'weeded out' and shuttered.
