

THE LITTLE GREEN HOUSE

EDUCATIONAL SERVICES

EST. 2013

New and Prospective Students, do you struggle with understanding your school work? Do you often feel bored or tired when going over school material? Are you having a hard time remembering your lessons from earlier in the day?

If any of this sounds like you, then you are in the right place to make THAT CHANGE! THE LITTLE GREEN HOUSE Educational Services was started by an educator by the name of Nashima Harvey, Ed.M who has dedicated herself to ensuring that all students have the capability to succeed. Ms. Harvey, Ed.M's philosophy is that *"...we are all learning individuals awaiting the write connection from the right educator in the right setting."*
