**City of Clark Council Meeting  
January 2, 2018**

**Call to order:** The Clark City Council met in session on January 2, 2018 at 7:00 pm in the City Hall Council Room.

**Council Members Present:** Brian Cook, Belinda Hanson, Kerry Kline, Dennis Larson, Louann Streff and Andrew Zemlicka.

**Others Present:** Mayor John Pollock, Finance Officer Jackie Luttrell, Bill Krikac, Jeremy Wellnitz and Don Weigel.

Mayor Pollock called the meeting to order at 7:01 pm.

**Motion # 001-2018**

**Adopt Agenda**

Motion by Streff and seconded by Larson to adopt the agenda. All members voting yes. Motion carried.

All stood and recited the Pledge of Allegiance.

**Public Input**

The Mayor, Finance Officer and four council members attended the county commissioner's meeting earlier in the day to learn more about the proposed appraisal increases that the State is requiring the county to do. Vanguard will start a county wide re-appraisal in April with the new appraisals to be effective in 2019. However, the 2018 appraisals are in question as to how much they should be increased. City may need to consider changing our building permit policy to require permits for remodels and home improvements.

**Retention Pond Update**

Don Weigel from Clark Engineering was in attendance to review the remaining work on the retention pond and to discuss the gravel change order from November. The project's total cost has increased less than 1% from the original estimate which is exceptional for a project of this magnitude.

**Mayor & Department Updates**

Chief Wellnitz gave a December police report, end of year report and comparison from previous years. Mayor Pollock gave department updates.

**Motion # 002-2018**

**Approve Minutes**

Motion by Kline and seconded by Zemlicka to approve the council meeting minutes from December 4, 2017. All members voting yes. Motion carried.

Adam has had indirect contact with the owner, Beth Makens, and was told she'd donate the land for the project in exchange for naming rights of the park. Many details need to be worked out, such as who would own the park, upkeep the park, pay the electric bill and more. **City of Clark Council Meeting  
July 2, 2018**

**Call to order:** The Clark City Council met in session on July 2, 2018 at 7 pm in the City Hall Council Room.

**Council Members Present:** Brian Cook, Belinda Hanson, Kerry Kline, Dennis Larson, Harv Spieker and Andrew Zemlicka.

**Others Present:** Mayor John Pollock, Finance Officer Jackie Luttrell, Bill Krikac, Chad Fjelland, Darin Altfillisch, Roger Collins, Jeremy Wellnitz, Robin Hartley and several members of the Legion along with Dave Adam for the Charters of Freedom.

Mayor Pollock called the meeting to order at 7 pm.

**Motion # 102-2018**

**Adopt Agenda**

Motion by Spieker and seconded by Kline to adopt the agenda. All members voting yes. Motion carried.

All stood and recited the Pledge of Allegiance.

**Charters of Freedom**

Rob McGraw and Dave Adam spoke again for the proposed Charters of Freedom monument to be placed in Flat Iron Park. To proceed, they need city council approval of placing the monument in Flat Iron Park and authorization for the Mayor to sign the Letter of Intent. There is zero city responsibility to build structure. City will be responsible for electric cost, mowing and snow removal.

**Motion # 103-2018**

**Charters of Freedom in Flat Iron Park**

Motion by Larson and seconded by Kline to authorize the Charters of Freedom project to proceed for construction in Flat Iron Park. Role call vote as follows. Voting in favor Kline, Larson, Zemlicka and Hanson. Opposed Spieker and Cook. Motion carried by majority vote.

**Motion # 104-2018**

**Authorize Mayor to Sign Letter of Intent**

Motion by Zemlicka and seconded by Larson to authorize Mayor Pollock to sign the Charters of Freedom Letter of Intent. Voting in favor Kline, Larson, Zemlicka, Spiker and Hanson. Opposed Cook. Motion carried.

**Potato Day Festivities**

Robin Hartley addressed the council about the Potato Day activities that Cassi Kottke and she have planned for this year and the costs that come with it. In the past the City has subsidized \$500 for the event insurance.

**Motion # 105-2018**

**Potato Day Event Insurance**

Motion by Hanson and seconded by Kline pay the entire event insurance for Potato Day. All members voting in favor. Motion carried.

**Motion # 106-2018**

**Spudnick's Subsidies for Potato Day**

Motion by Kline and seconded by Larson to donate \$1,500 to the Spudnick's organization in support of the Potato Day. All members voting in favor. Motion carried.

**Skate Park**

No one in attendance to discuss.

**Motion # 107-2018**

**Rotary Tournament Fireworks**

Motion by Hanson and seconded by Cook to authorize the Rotary to light off fireworks at the Rotary Baseball Tournament on July 6 and 7. All members voting in favor. Motion carried.

**Department Updates**

Altfillisch missed the deadline to purchase a new water/sewer truck off the state bid. He will continue to shop or wait for next bid letting. City was approved for a \$2,691 grant for mosquito control through the SD Department of Health. Collins has received snow removal quotes from Forest Excavating and Clausen Construction. Mayor will open it up for other individuals to throw quotes in. Collins will then have these costs and use them, if needed, for when the time comes. Residents have been abusing the dumping privileges at the landfill. Violations could close the dump down so attendants and residents must begin to be conscious of this to continue to have this resource available to us. Would like to surplus the big slide and wooden play structure at the Swimming Pool Park. Will be added to next meeting's agenda. The delays on the retention pond project have subcontractors unhappy about their retainage on payments. Luttrell reminded that all payments are made to the Foothills and their payments are dispersed from Foothills. Due to the delay in seeding the wetlands, a small task but a major necessity for compliance in wetland mitigation, a 10% retainage has been withheld from all payments. Clark Engineering has maintained a punch list of items that must be completed, including the township road problems, before the completion of the project.

**Motion # 108-2018**

**Dakota Pump**

Motion by Kline and seconded by Larson to approve the Dakota Pump Inc. proposal for a dedicated serial radio link between the water plan and water tower at a cost of \$5,510. All members voting yes. Motion carried.

**Motion # 109-2018**

**Smart TV**

Motion by Cook and seconded by Larson to purchase and install a smart TV in the council room for the ability to show media. All members voting yes. Motion carried.

**Motion # 110-2018**

**Approve 6/18/18 Meeting Minutes**

Motion by Kline and seconded by Zemlicka to approve the June 18, 2018 meeting minutes. All members voting yes. Motion carried.

**Motion # 111-2018**

**Approve Financial Statements**

Motion by Hanson and seconded by Larson to approve the June Financial Statements. All members voting yes. Motion carried.

Motion by Hanson and seconded by Kline to surplus a slide and wooden playground structure from the swimming pool park and to appoint Luanne Warren, Chad Thomas and Pam Dekker as appraisers. All members voting yes. Motion carried.

The appointed appraisers appraised the equipment between \$100 and \$150 which allows the City to sell the equipment without notice.

**Motion # 126-2018**

**Accept Slide Offer**

Motion by Kline and seconded by Larson to accept Tom Hallberg's offer of \$202 for the big slide. All members voting yes. Motion carried.

**Sludge Truck Offers**

**Accept Truck Offer**

Motion by Hanson and seconded by Larson to accept the highest offer from Brent Forest of \$3,750 for the surplus 1994 White GMC Omega truck. All members voting yes. Motion carried.

**Economic Development**

There is interest in starting an economic development group for Clark. A group of interested individuals met last week with DeSmet's coordinator Rita Anderson and GOED Scott Amundson to learn how to get started. Concerned citizens in attendance voiced their interest in getting something going in Clark. Discussed the necessity of hiring an individual as volunteers are too busy to add to their daily responsibilities. The county has also shown interest in supporting such a position. Many details need to be worked out.

**Motion # 128-2018**

**Budget for Economic Development**

Motion by Spieker and seconded by Cook to budget \$25,000 in the 2019 budget to support economic development. All members voting yes. Motion carried.

After concerned citizens left, the meeting moved back to the council room. Luttrell presented a 2019 preliminary budget asking council for direction on spending.

**Dickinson Park**

With the Rotary replacing the outfield fence, they'd asked the City to replace the fence that runs along the Cloud Street. Attempts have been made to contact the installer to get estimate but no one has returned calls.

Rotary also asking what to do with the fence they are removing from the field. Ideas are Community Garden and replace some fence at softball field. No one was there to represent.

Luttrell spoke on behalf of Chris Bokinski. He is getting quotes for an inning by inning scoreboard for Dickinson Park to allow for more tournaments. He believes advertising revenue could pay for it. Council authorized him to proceed. The current scoreboard could be moved to the softball field.

**Streets Restricted Resolution**

The streets equipment replacement resolution expires in 2018. With the funds already going to the debt payment for the street sweeper, it was decided to not renew this until that debt is paid off.

**Motion # 133-2018** **Teener Coaches**

Motion by Spieker and seconded by Kline to pay Teener coaches Brock Greenfield and Chris Bokinski and extra \$500 each for coaching an additional teener team, two total. All members voting yes. Motion carried.

**Adopt Agenda**

Motion by Hanson and seconded by Zemlicka to adopt the agenda. All members voting yes.  
Motion carried.

All stood and recited the Pledge of Allegiance.

**Public Input**

Terry Binger asked to put in temporary (maybe permanent) camping sites at the old NAPA building. The HC zoning does not list camping as a permitted or conditional use. Zoning would have to be updated to allow permanent sites.

**Motion # 138-2018**

**Allow Camping Sites**

Motion by Hanson and seconded by Larson to allow Terry Binger to add temporary camping sites on the old NAPA building property and to start the process to update the Highway Commercial zoning to list camping as a conditional use. All members voting in favor. Motion carried.

Donny and Lisa Tesch recently purchased and surveyed Darlene Terrill's property adjacent to the golf course and discovered the north boundary slightly extends on the #4 tee box and the location to the south is 20 feet (alley) less than expected. They'd like to exchange land from the north to the south to allow them space to put up a garage. However the City must follow the vacating rules for the 20 foot alley which divides the property in half and splits land between the two landowners.

Hanson continues to receive complaints from the township about the road east of retention ponds that the township feels was damaged from trucks hauling rip rap. They'd like \$5,000 in gravel replaced on the road. City feels that the contractor should have done their due diligence in getting a road haul agreement completed. Will pass this information along to Clark Engineering.

**Mayor & Department Updates**

Updates given by Luttrell, Altfillisch and Collins. Luttrell presented a quote from Brian's Glass & Door for a new aluminum door for the south entrance of the community room of \$3,900. The current door is badly rusted and doesn't close to a tight fit. Luttrell would like to plan a door replacement every year. Room also needs new flooring. Discussed options between carpet squares or vinyl planks. Altfillisch states a memory card went out at the Water tower that will cost approximately \$1,200. Sludge tank can be surplused. Collins presented two options to extend South Dakota Street to new Kottke house. Discussed the abuse occurring at the dump of items being disposed that are on the prohibited list or putting items in the wrong pile. These violations increase during free dump days. Council has decided there will not be another free dump day this year. The State does inspect our dump and the dump could be shut down because of this.
