

Digital Sports-Steps to Receive E-Mail /Text Alerts

1. Go to www.digitalsports.com
2. Go to the box where it says: Find Your School
 - Input-Conestoga High School-click on CHS-Berwyn, Pa.
 - Click on e-mail alerts-This is located on the gray toolbar in the top middle of the page.
3. Input your e-mail address and confirm e-mail
 - If you would like to use your cell phone to receive a text message instead of an e-mail for an alert-please see page 2 and 3 on the set up for your particular phone company. You will input the phone information instead of an e-mail address. If you would like to receive both an e-mail and text message-you will have to go through the set-up twice.
 - Click on next
 - If you need to change your e-mail address or your profile-you will need to register. You do not need to register just to receive e-mail alerts. To register-go to www.digitalsports.com. You will see Register on the top right in the red box. Once registered-you will need to log-in. After you log-in-on the top left-go to your user name and click on the down arrow-then click on edit your profile.
4. Find the sport that you want to receive e-mails for
 - Highlight the sport
 - Click on the > symbol-top one
 - For Multiple Sports-use the Control Key-then click on the > symbol-top one
 - Continue the above for every sport that you want to receive e-mails for
 - When complete-click on-"Please Save My Account Settings" at the bottom right.
5. Once you click on "Please Save My Account Setting"
 - The next page will come up as successfully updated
 - You will receive an e-mail stating whether or not you want to activate that e-mail address for the alerts. You must approve or decline one of the hyperlinks and/or addresses that are available.
 - You should receive a confirmation window stating that your account has been added to the Digital Sports E-mail Alert System.
6. You should be up and running after you complete the above
7. If by any chance-you want to delete a sport that you are receiving e-mails for
 - Follow the above steps 1-4
 - Where it says teams for which you will receive e-mail alerts for
 - Highlight the team
 - Click on the < symbol-bottom one
 - When complete-click on "Delete This Account" at the bottom left
 - The next page will come up as an email has been sent where you can find the link to unsubscribe.
 - You will receive an e-mail stating whether or not you want to remove that e-mail address for the alerts. You must approve or decline one of the hyperlinks and/or addresses that are available.
