Please bring enough snack for every student for the two days during your child's snack week. Also, send 1/2 gallon of 100% juice or milk to use on both days of the week. No juice boxes, please. Try to make sure the snack is all the same flavor choice to avoid problems during handout. Also, remember we are a nut free environment, so please avoid snacks that contain nuts.

\*Birthday Snack Week: Your child may bring a birthday snack for the class on one of the days during the week they are scheduled.
