10:30 - Awards

Block Kids Building Competition

Block Kids Building Competition is a National building competition that is sponsored on the local level by NAWIC chapters and other organizations.

The award-winning program introduces children to the construction industry in an effort to create awareness and promote careers in the industry.

A Kids Building Competition

- Open to grades K-5
- Construction of various structures with interlocking legos
- Use three of the following additional items:
 - Small Rock
 - String
 - Foil
