

Beach Dude

**Joyous the day
Getting ready to meet you
I smile and say
“Hello” when I greet you**

**I’ve got a couple of hands
And a couple of feet, too
That’s how I dance in the sand
A happy-go-lucky beach dude**

**That’s me dancing by the sea
That’s you dancing next to me**

**Nice is the way
That I’ll always treat you
Bright eyes are the way
That I’ll always see you**

**We’re just a couple of friends
They say it only takes two
That’s why I dance in the sand
A happy-go-lucky beach dude**

**That’s me dancing by the sea
That’s you dancing next to me**
