The Mt. Lena Recreation Club, Inc. is a family oriented non-profit club, which is supported solely by dues and fundraisers from its members. The pool is overseen by a Board of Directors and Officers.

Dear Pool Member from 2017

Attached is the application for pool membership for 2018. 2017 was a good pool season so that all dues are remaining the same and we still were able to do the roof replacement to the clubhouse (no more leaky roof!).

The Annual Membership Dues\* for a family will still be \$350 for the Season (Memorial Day weekend through the weekend after Labor Day) and the Single Membership is still \$175. We will continue to offer the monthly dues option for individuals who cannot commit to an entire summer. Those rates are listed on the 2018 Application. There will continue to be a one-time \$50 initiation/maintenance fee for any new members that choose to join the pool. There also is the \$50 volunteer fee which is held in escrow and returned to the individual upon completion of volunteer time.

A family membership includes wife, husband, and unmarried children under 18. Also included are full-time students or members of armed forces who are unmarried, living at home and between the ages of 18-21. This year grandparents and babysitters caring for children may also be included under a family membership. There has been some flexibility with the single membership; retired couples, a single grandparent/parent may sign up for a single membership but they are asked to pay guest fees when bringing guests.

The pool is also taken care of by our members. Every member is required to volunteer 2 hours in some way at the pool or provide a \$50 volunteer fee. Starting in May at the beginning of each month a list of opportunities will be posted on-line and at the clubhouse of pool needs. This can include cleaning, painting, grounds upkeep, getting the pool ready for the summer season, cleaning up the pool at the end of the summer season, fundraising, providing snacks for the snackbar....there are endless opportunities. I

This year, the pool is taking a hard line towards the volunteer fee. Each year there is a wonderful response to individuals either volunteering or not wanting to be bothered and paying the fee. Understandable and the only way to keep the pool costs down is by participation in some form. If we had to pay to clean and paint the pool each season it would cost hundreds of dollars. To be fair to ALL members, the volunteer fee must be included with membership prior to Memorial Day for a membership to be valid (unless you are committed to completing volunteer hours before the pool opens). We appreciate your support in this endeavor.

Looking forward to another great year of swimming and relaxing by the beautiful pool. Always feel free to share comments, concerns and compliments. Thank you
