Presenters:

Charla Holst is an Occupational Therapy Consultant with 30 years of experience as an Occupational Therapist, 17 in public schools. Charla has worked with gifted students in the public school setting as well as raising two gifted children of her own. She is the founder of TheraPower LLC and Overcomer Ministries where she provides training in sensory regulation, behavior, accessibility, accommodations, and empowering people of all abilities to unleash their full potential. Charla has authored 3 books: Empowering Occupational Therapy, All That I Want To Be and Control Is My Goal.

Stefanie McKoy: Ph.D. student and instructor at the University of Arkansas. Research focuses on educational trends in social media, teacher education, and gifted education. Also presenting with Stefanie McKoy will be Krystal Merry.
