Code of Conduct	<p>Roy Harrison left the meeting while this item was discussed. A complaint has been received that comments made by Mr Harrison on the SODC planning website regarding a planning application were inappropriate and brought the council in to disrepute. The comments in question have now been amended on the website. Two further complaints have been received in relation to the impartiality of the PC on this planning matter. Roy Harrison was not present at the May meeting of the parish council at which the planning application in question was considered. Any comments which he subsequently posted were made as a private individual, and the Parish Council response remains as per the letter submitted to the Planning Officer on 15th May.</p> <p>The Chairman to respond to each of the complaints accordingly, confirming that Mr Harrison was acting in a personal capacity.</p>	<p>14</p> <p>PS</p>
