Entries will be accepted from 7 AM until 9:30 AM Saturday, September 7th. No entries or awards may be removed from exhibition until after the awards ceremony at 4:00 PM. After the awards, those exhibitors not staying in Colorado Springs may remove their entries. We request, however that horticulture entries remain in place, through 1 PM Sunday, September 8th.

1. This show will be governed by the standard rules and regulations of the American Rose Society. The final authority for a rose show is its own schedule, which should be followed as published.
2. Competition is open to all rose growers regardless of residence unless otherwise stated in this schedule.
3. Exhibitors need not be members of any rose society, unless otherwise stated in this schedule.
4. All exhibitors must be signed in. This is necessary for tabulation purposes.
5. All specimens entered in Division I must have been grown in the exhibitor's private outdoor garden. Only one person or team from any one garden may make an entry in a class. Duplicate entries of the same rose shall be disqualified.
6. Vases for specimens will be provided in Division I unless noted. No foreign materials other than clear plastic wrap or green Styrofoam are to be used as wedging material for rose stems. Discretion in wedging is advised to avoid distraction from the rose. No water-soluble florist's foam is permitted, as it soils water in the vases.
7. Entry cards are provided by the Society. They should be completely filled out by the exhibitor, attached to vases with rubber bands and left unfolded for classification. Help with rose names is available at the placement table.
8. Classification of roses will be in accordance with the latest edition of Modern Roses, the ARS Annual, the Handbook for Selecting Roses, the Combined Rose List or the New Rose Registration listings in the American Rose magazine current to the date of the show. All specimen roses exhibited must be entered under their approved ARS exhibition names. Though not desirable, commonly accepted abbreviations of names are acceptable.
9. Rule 9 is suspended for this show. There is no classification table, and exhibitors will place their own entries. (Suspended Rule 9: Except for Challenge Classes, the placement of exhibits on the show tables will be handled by the placement committee, working from the classification table. No exhibitors, other than those preparing designs or placing challenge class entries, will be allowed on the show floor during placement.)
10. Judging will be in accordance with the current edition of the American Rose Society's Guidelines for Judging Roses and will begin at 10:00 a.m. Only judges, clerks and necessary show personnel are permitted in the show area during judging. Decisions of the judges are final.
11. First, second, third, and honorable mention ribbons may be awarded in each class on the basis of quality in the opinion of the judges. Only blue ribbon winners are eligible for trophy awards. No award is required to be awarded for any entry or class.
12. Traveling trophies which are the property of the Pikes Peak Rose Society must be available at next year's show. **Traveling trophies won by non-members or out of town individuals will have the winners' names engraved on them and will be retained by the Pikes Peak Rose Society.**
13. Awards, ribbons, and other properties must be claimed at the close of the show. Exhibitors are to remove their own specimens. Abandoned specimens will be given away.
14. The Pikes Peak Rose Society and First Lutheran Church are not responsible for damage to or loss of personal property or for injury to persons attending the rose show. **Liability of all nature is disclaimed.**

SCALE OF POINTS FOR HORTICULTURE SPECIMEN ENTRIES:

FORM, 25 points

COLOR, 20 points

STEM and FOLIAGE, 20 points

SUBSTANCE, 15 points

SIZE, 10 points

BALANCE AND PROPORTION, 10 points

The bloom should be symmetrical in form and be typical of its variety. Color and size of the bloom should be typical of its variety. The stem of the rose should be straight and of adequate length to support the bloom. Foliage should be evenly spaced on the stem, be clean and be of good color. Good substance refers to the amount of water in the cells of the petals and foliage; a loss of substance shows in drooping leaflets and petals.

HORTICULTURE DIVISION I DISQUALIFICATION

Horticulture entries can be disqualified for the following reasons:

1. Entry misnamed, unlabeled or mislabeled, or entered in the wrong class. Although correct spelling is highly encouraged, mis-spelling does not constitute mis-naming or mis-labeling. Corrections may be noted by judges on the back of the entry tag.
2. Stem-on-stem. A rose may not be exhibited with a portion of the previous stem growth attached. Old garden roses, lateral bloom sprays and shrubs are not subject to the stem-on-stem rule.
3. The presence of foreign material applied to the foliage, stem, or bloom to improve the appearance of the specimen.
4. Not disbudded. Any class calling for one-bloom-per-stem must be exhibited without side buds. A side bud is defined as growth emanating from a leaf axil having sufficient maturity to display the formation of a stem without flowers or buds. The presence of one or more immature leaflets or leaves at the leaf axil with no evidence of a stem is cause for penalization, not disqualification.
5. A specimen in violation of ARS or show rules.
6. A specimen not registered with the ARS.
7. The appearance of the exhibitor's name on any location other than the designated place on the entry tag.

RULES FOR ROSE SHOW PHOTOGRAPHY EXHIBITORS

Please call or email Walt Kilmer at 951-834-2330, or waltkilmer39@verizon.net to reserve space for your photos by September 5, 2019. While this is not a requirement to exhibit your photos, reservations help the show committee efficiently allocate the space available for photography exhibits.

American Rose Society Photography Certificates may be awarded to blue ribbon photographs of roses grown by the photographer. To be eligible for medal certificates, mark entry tags with "PG" (for photographer-grown roses) in the upper right hand corner.

1. Exhibitors need not be members of any rose society, except Rocky Mountain Division classes, if any, require ARS membership and residency in the Rocky Mountain District.
2. Each photograph must be the work of a single exhibitor or team.
3. Exhibitors may enter no more than two photographs of **different** subjects in any one class, and each photograph may not be entered more than once in the same show. A photograph entered in more than one class will not be judged in any class.
4. Previous winning photographs, defined as first place (blue ribbon) awards in any Rocky Mountain District or local rose show, may not be entered again in another show within the district.
5. First, second, third and fourth place awards or no award may be given in each class. Multiple first through fourth place awards may be awarded in each class as the show schedule indicates. Certificates and/or other awards may be awarded as specified in the show schedule.
6. The show committee will furnish entry tags that must be filled out completely by the exhibitor. **Nothing identifying the exhibitor should appear on the face of the photograph.** A name appearing on the face of the photograph will cause disqualification of the photograph from being judged. The entry card should be folded so that the name of the exhibitor does not appear, and the card should be placed to the immediate right of the photograph.
7. Rule 7 is suspended for this show. The photography chair will place all photos. (Suspended Rule 7: Unless otherwise specified in the schedule, entries may be placed by the exhibitor with the understanding that the placement may be adjusted by the show photography chair should space become a concern.)
8. Exhibitors should exercise great care in the placement of their entries to make sure that their photographs are entered in the appropriate classes. **A thorough reading of the photography schedule is necessary before entries are placed to avoid classification errors. Photographs will be judged in the classes in which they are placed.**
9. Those judging the photography division and their immediate family members should enter their photographs in the Judges Section only. Horticulture and arrangement judges may enter photographs in any section except judges.
10. Judges shall be ARS Accredited Horticulture and/or Arrangement Judges. A professional photographer may be added to a team of three judges, two of whom must be ARS accredited. The show committee should make every effort to use judges with some expertise in photography.
11. The name of the rose(s) should appear on the entry card. If the variety is unknown to the photographer, "Unknown Variety" should be written in the name space, and the judges may determine if the lack of a name affects the score of the photograph.

12. Photographs will be placed and displayed as described in the show schedule. The judges may ask a clerk to pick up a photo gently by its edges if it is necessary to view the photo adequately. Under no circumstances will a photo be handled in such a way as to disclose the name or identification of the exhibitor.

13. Photographs taken with digital equipment or film are equally welcome. Digital enhancements as well as darkroom enhancements are allowed.

14. Photographs may be in color or black and white or a combination of both color and black and white.

15. All photographs are to be mounted and matted, except in the Novice Class. **An unmounted, unmatted photograph will not be accepted for judging or display.** The color of the mat is at the discretion of the exhibitor, but should complement, not compete with, the photograph.

16. The orientation of the photograph may be either landscape or portrait.

17. Photographs may be no smaller than 5" x 7" and no larger than 8.5" x 11". The outside dimensions of the mat are to be no larger than 11" x 14". Non-standard shapes are welcome as long as the mat opening fits within the size limits.

18. The show committee will exercise due caution in protecting all exhibits, but the committee, the Pikes Peak Rose Society, and the facility in which the show is being held assume no responsibility or liability in the loss of, or damage to, the property of the exhibitor.

THANK YOU!

The Pikes Peak Rose Society wishes to thank these American Rose Society Accredited Judges. We acknowledge their time, travel and expertise in judging our show. Because of them, we could produce for Colorado Springs an American Rose Society accredited show.

Georgie Bever, Tracey Chandler-Speyrer, David Ingram, Tom Keilers, Mary Kirby, Sue Longhini, Jerry Macon, Barbara Money, Collette Morton, Joe Muzy, Ellen Nielsen, June Openshaw, Gary Osborn, Linda Osborn, Martha Tucker and Peggy Williams.

ACKNOWLEDGEMENTS

Our thanks to Pastor Travis and the Congregation of First Lutheran Church for allowing the Pikes Peak Rose Society to present our rose show in a place of timeless beauty and remembrance.

Producing a rose show in a historic mansion means stepping into a time machine. The experience is reverberant with other times and places. It brings to mind not only historic structures such as Glen Eyrie, The Broadmoor, and Miramont Castle, but also the explorers, pioneers and writers who celebrated the “stop your heart” beauty of Colorado Springs and the Rocky Mountains.

The Pikes Peak Rose Society would like to acknowledge the privilege of serving the Old North End Historic District of Colorado Springs by holding our 2019 rose show in this historic structure. The Peel House is more than ornate cornices and ballroom floors, more than the “gentility of a bygone era” (Helen M. Anderson). The Peel House was and is a community asset, and we hope our rose show underscores the need for, and a vision of, a new life for a renovated Peel House as a vibrant community center.

This show’s organizers acknowledge the help of our entire Pikes Peak Rose Society. It takes tremendous effort to produce a rose show, and we appreciate the membership’s commitment of time and labor.
