Awesome April

Little Village is busy this month! Our classrooms will be focusing on spring time with flowers, birds, and bees! We would like to thank Mrs. Moody for her amazing contribution to Little Village over the last several months. She came in and restructured our preschool classroom while creating such special memories with the children. Her last day will be Tuesday, April 5th and we will be saying goodbye for the next couple days. We also want to welcome our parents to say hello to our new preschool teacher, Tina Davis. She has been a wonderful addition to our school over the last couple weeks as she has been transitioning into the preschool teacher role. We are so excited to have her on board!

Happy Birthday to you!

Preschool Press

The preschool 3's are excited about spring! They will be talking about birds, flowers, and Earth Day this month!

The pre-k 4's are focusing on the butterfly cycle, bees, and Earth Day!

Toddler Times

The Toddlers are planting flowers this month and have a new dramatic play center with a mirror!

School Age Days

Spring is here! The school agers are taking regular trips, as weather allows, to the big play ground!

We are also currently enrolling for summer camp! There are limited spots available so reserve your spot soon!

Last Month We:

Little Village had so many wonderful visitors! Hiram College students from the Human Growth and Development class came to observe our classrooms and learn about Little Village. We also had the critter guy, Ron, share his amphibians with us! Papa T, one of our Preschool friend's grandfather, came to play guitar and sing some much loved songs to the entire school over spring break. We even had a parade around the building for St. Patty's day and the pre-k 3's found the leprechaun's hidden gold! The preschool 4's made lions and the toddlers had rodeo days.
