

## **CAPTAIN KENNETH G. SCOTT**

**March 26,2009**

When I think about the 592nd I can not believe that we have located the number of guys and gals we have after 40+ years . The 592nd Family just keeps growing and our Reunions are fun to attend . When you listen to the guys talk you would never think that it was 40+ years ago in June of 66 that we all met and that the adventure began . I consider each and every member of the 592nd a friend and I know that I can count on each and everyone of my guys and you are my guys and have been since day one . We all know many people ,but friends are special and you are all special to me . I look forward to each and every Reunion and look forward to seeing old friends and seeing new ones . This web site will be an extention of our Reunions and I look forward to seeing and reading about the things you are doing .

I am not sure I know how to sign off on this so I will just use the words most of you use when you see me or refer to me .
