

# Mid-America Valve

Engineering Resources • Service and Commissioning • Training

## Engineering

- Valve and Gate Selection for Water/Wastewater Applications
- Valve and Actuator Sizing
  - Valve Controls
- Tideflex Tank Mixing Systems

## Actuation

- Pneumatic/Electric/Hydraulic
- Replace/Rebuild Old Actuators
- Specialists in mounting new actuators

## Service

- Valve and Gate Diagnosis
- Valve and Actuator Repair

We can help you determine where the problems lie and give you options for getting your equipment back on line in the shortest time.
