Project**

With the purchase of our 10 foot x 19 foot flag that our members so graciously donated funds for ... We are now in need of a much larger flagpole to display our beautiful new flag properly and also add a new P.O.W. flag. What better way to make this happen than to start back our Memorial Brick Fundraiser to get the funds necessary to make these improvements. We hope to get your support by purchasing a Memorial Brick to give recognition to those who served our country.

The Benevolent and Protective Order of Elks is a national fraternal organization dedicated to serving the community through its charitable works. Our emphasis is on conducting youth programs, serving our veterans, and doing charitable work in the community in which we live and work.
