

Protecting our 2A Rights - Issue 4

It has been another interesting week. The House finally delivered the Articles of Impeachment to the Senate, the Democrats and Leftists all had a pity party over the death of Qassim Suleimani, the Democrats blocked a resolution in support of the Iranians who were protesting the current regime, and a governor declared a state of emergency because a group of citizens want to gather to show their support for the 2nd Amendment. We are on the doorstep of tyranny, in my opinion.

If you aren't watching [Prager U](#) videos, then I recommend you do. Below is one titled "*Why We're Losing Liberty.*"

In this issue the crazy in Virginia continues plus Rhode Island and Joe Biden are planning attacks on 2A. But, there is some good news at the end of the newsletter, though!
