**INTRODUCING ROB SIMPSON**

Fisher Chevrolet is trying to build a better relationship with SDC. So, they have named Rob Simpson as a special liaison for us. Rob plans to come to most of our meetings and coordinate our events with Fisher. Also, if you have any thoughts of buying a new or used Corvette or any Chevrolet he is the man to see. If Fisher does not have what you want in inventory, Rob will do a dealer search. Rob will also make sure that you get the very best price! And if you do buy from Fisher he will make sure that SDC gets the \$100 referral fee.

Rob plans to attend our regular club meeting in February. So, make sure you plan to attend so you can meet him in person.

Check out their specials and take advantage of them! Sounds like the activities gang are starting to get there schedule together for the year, get your calendars ready to fill up! Stay safe and healthy till the next meeting!

## REDNER'S SAVE-A-TAPE UPDATE

To qualify for the 1% money rebate program from Redner's Markets all register receipts must be submitted within two years of purchase and the complete register receipt tapes must be submitted ( do not tear off the bottom of the register tape).

Save the Date! Saturday July 15, 2017 for our 38th annual In-Vette-Tational car show at the Oley Valley Fairgrounds. Your club is looking forward to seeing you there to enjoy the fun and fellowship of this great club tradition. Your In-Vette Committee is meeting monthly, planning another successful show and always welcomes every member's ideas to make it great.

We have completed our 2017 In-Vette Flyer that will be posted on our club web site, and I will have copies for you to take home at our next club meeting. We are lining up a great day of fun that will include again our Chinese Auction, Door Prizes, Car Enthusiast Seminars, Scavenger Hunt, Berks County Sheriff K-9 demo, Music, Dunk Tank, Vendors, and of course good fellowship with a grand display of corvettes, customs, and classic cars. The following are areas we will be looking for member's support.

Save the Date Saturday July 15 and plan now to attend. We need every member's car (or cars!) on the show field.

Capture and share ideas to make our show a success. Email Bob at bobmessner@windstream.net

Pick up a few flyers at our next club meeting to share with friends and fellow car enthusiast's. Remember all makes and models are welcome.

Support our Chinese Auction: As you visit your favorite restaurant or place of business, inquire if they would support our club with an advertising donation of a gift card or certificate for their service.

Support our Lottery Tree: Donate and bring along an extra Lottery Ticket.

Support our Wheelbarrow of Cheer: Donate and bring along that extra bottle of Holiday Cheer to fill our Wheelbarrow.

As always your In-Vette Committee and Club thanks you for your ideas and support. Committee Members, next meeting will be Thursday February 23, 7:00 pm at Fisher Chevrolet Pre-Owned Center

**THE NCM BASH, APR 27-29**

Registration is now open. The kick-off event at the NCM each year is the "Bash" and it traditionally highlights the rollout of the next model year Corvette. With the new C-7 Grand Sport unveiled in 2016 what could be new you ask? Well, the place to be is at Bowling Green. Seminars will feature speakers detailing chassis, power train, interior design, and manufacturing all presented by a large contingent of GM designers, engineers and assembly plant representatives. There is no other venue that brings you so up-close and personal to those that design and build the cars that we drive.

There is much more on the itinerary including several road tours, for example The International Bluegrass Museum, Rough River Dam State Park Resort, Maker's Mark Distillery and a bus trip to the Country Music Hall of Fame in Nashville, Tennessee and more. Banquets include the Corvette Racing Team Recognition Dinner and a wonderful closing banquet featuring "The Action Brothers-The Dynamic Duo of Comedy Magic". There is a ladies oasis, ladies garage with the women Corvette engineers, two car shows, a race team seminar and more. To view the whole agenda, go to the NCM web site, [www.corvettemuseum.org](http://www.corvettemuseum.org) and click on events. Registration is now open and if you are interested do not delay because some of the events are space limited.

And on Wednesday, April 26th there will be a whole day of track time for spirited Touring Laps. I've done this and it is a blast. The straightaway speeds are controlled, but the corners are all there. Believe me, the NCM Track is very challenging. Join us and see what your Corvette is like in a controlled environment!

In addition, The Museum in Motion Tour "Tail of the Dragon" departs at the conclusion of the Bash and heads to Ashville, N.C. for four additional days of adventure. Again, go to the Museum website and click on "Events" for full details.

We are going so if you would want to travel with us, please contact Jack or Dor DeLong at 215-657-4418. We have already made our reservations at The Bowling Green Hampton Inn, telephone number 270-842-4100. In order to get the NCM discount at the Hampton Inn, contact us for details
