1	Again, the administration is excellent. However, there is not enough time to create CFAs, analyze data, deconstruct standards, and complete required lesson plans. Why not give us the standard deconstructed since it is something you are requiring? The fact that all of us need to be on the same standard and learning intention simultaneously is not realistic. I can understand why you may want us all on the same standard, but my class needs should be the priority, and it is not at this moment because we must all be on the same plan.	3/21/2022 3:33 PM
