

For the Parents

Safety First

Many of us at Bella Bambolina are parents ourselves and we know of the importance as a parent to have peace of mind while your child is online. With that in mind, we created our Bella Bella Island virtual world as a closed site. What that means is your child will not be able to have any contact or interaction with any other users. Any interaction with any avatars within the Bella Bambolina site, are computer generated. Therefore your child does not have contact with outsiders. Keeping your child in a safe environment.

Early on in development, our team decided not to offer message boards, screen names or chat boards for the privacy and safety of your child. In addition, your child does not have a profile posted in our virtual world. When your child is performing tasks or playing games, they can only compete against their best score or a computer generated avatar.

The Bella Bambolina team has no direct communication with users except for login/registration/ registration info and email/password. We do NOT sell or share personal info. [See our Private Policy](#)

About Bella Bella Island

Bella Bella Island is filled with activities and games which were designed to assist each child in learning. Many of our games encourage reading and remembering. Players have to collect items, read Bella Encyclopedias to participate in some games, as well as complete tasks. The rewards are free coins, game items, trophies and certificates for the completion of tasks or high scores.

Bella Bella Island goes hand in hand with our exciting Bella Bambolina Adventure series. As your child reads our series they learn about other languages and cultures as well as solve mysteries. We believe our Bella characters are endearing and are excellent role models for your child. We also have some terrific music for your child to experience!

The best way to learn about the tasks and activities on Bella Bella Island is to visit it yourself so you can see how your child might use the site. We look forward to seeing you on Bella Bella Island!

If we haven't answered your questions above email us at: Fun@BellaBambolina.com We will get back to you as soon as possible.

Thank you!
