

ADDENDUM NO. 03 – DATED 01-30-2019
RESPONSE TO REQUEST FOR CLARIFICATION

Request for Clarification:

Could you please confirm the liquidated damages for this project?

We would like to confirm the specified \$10,000 is or is not a typo.

District Answer/Response:

The daily liquidated damages provision is set at \$10,000 due to the narrow time constraints for this project, and the potential loss of project funding source if not completed timely.
