BULLETIN BOARD

Part-Time Babysitter Needed

We are looking to hire someone who can come 2-3 afternoons per week or a day and a half per week to care for two boys, aged 5 and 3. The hours are somewhat flexible and may evolve over time. We are hoping for a babysitter with a confident and positive outlook who loves to read, has plenty of energy for keeping up with two active and imaginative boys, and who feels confident organizing play-dates and fun activities inside and outside the apartment. We would prefer someone who will also be ok with light tidying up, running errands or doing grocery shopping when needed, and preparing the boys' meals. Non-smoker, CPR Certified, and who has college degree highly preferred. Please contact me, Alicia Johnson:alicialcarter@gmail.com, (512) 897-9711

Part-Time Nanny Needed, Possibly Live-In

We're looking for someone to help out with our 3-year-old daughter Ella (in class B5) and soon-to-be fourth member of the family (due in May) on weeknights and weekends, ~25 hours/week. We rent a studio apartment two floors below us in our building on west 67th street— separate from our residence—and this could be part of the deal if it makes sense. Help with light cleaning and perhaps light cooking would also be great.

Anyone with leads, please contact me at sophie.brickman@gmail.com.

Part-Time Babysitter Needed

We are looking for a wonderful babysitter, with a positive outlook, who loves to read, has plenty of energy for organizing playdates and fun activities for our 4 year old son. We would prefer someone who could help out with light housekeeping, errands or grocery shopping when needed, child's meal preparation and child's laundry. Non-smoker, who is comfortable with pets, CPR certified and who has college degree. This is a part-time position minimum of 25 hours a week. If interested please send contact Julie at jsacks@vienyc.com

Wonderful, Loving, Joyful PCDS Alum Nanny Available

After five years with the amazing Gwen, I am taking a break from work, and we no longer need full-time childcare. Many of you already know Gwen and how special she is to our family. We're hoping to help Gwen find a family that is interested in full-time childcare five days a week. Gwen has been with our family since my son, Carter, was an infant. She is exceptionally kind, gentle, and experienced, qualities I have been so thankful for from the beginning. She played with baby Carter indoors and out, set up activities, and helped him find his footing in the world. When our second son was born, Gwen was an absolutely vital piece of the engine of our family. She cooks all meals for the boys, plays games and draws with them, sets up play dates, takes them to activities and classes, and tidies up around the apartment. Gwen is strong and reliable, never late, and regularly available for extra babysitting later into the weeknights and on weekends. Prior to working for our family, Gwen cared for the daughter of another PCDS family when the school was on the East Side.

I trust Gwen beyond words, and I am so thankful that she's been here to help us these five years. I'm sad to say goodbye!
