Open Council Meetings Public Attendance (No Public Attendance Permitted)

By order of the Minister of Public Safety and Solicitor General, under the authority of the Emergency Program Act, Ministerial Order No. M083 was issued permitting municipalities to not be required to allow members of the public to attend a meeting of council. Although members of the public will not be allowed to attend open meetings, these meetings are still considered an open meeting and not considered closed to the public.

For the health and safety of everyone, the Village will not be permitting the public to attend open Council meetings during this COVID-19 public health event. During this event, we will be taking any measures available to the Village to ensure that the information is made available to the public in a timely manner.

We encourage you to monitor our website www.villageofgoldriver.com and our facebook page www.facebook.com/VillageofGoldRiver for information and any further developments.
