DESCRIPTION: Beautiful looking and performing Colt recurve. The Huntsman Hi-Power was Colt's top of the line hunting bow. Bubinga Riser with contrasting laminations. Forest green fiberglass limbs. Very comfortable pistol grip. No delamination; no cracks; limbs are straight. Tip overlays are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and scuffs. One of the decals on the limbs is original, and one was somewhat faded and replaced with a reproduction. This is a really nice bow in excellent condition for its age.
