Please note and help support our 2019 Summer Events for outreach and growth

Family Emphasis Sunday July 14th

I am excited about plans to hold a Family Emphasis Sunday July 14th. We have invited Jay Miller, Minister to Kids at Park City Baptist Church, and worship leader Jenna Toland as our guests to lead us.

Please make plans to be a part of this special day. Jay and Jenna will be working to bring a more upbeat worship experience with an emphasis on God's mandate to make the home the center for spiritual formations. We are prayerful this day will help us reach young families with children. This is would be a great occasion to reach out and invite special friends you have been praying might come to worship with us.

Vacation Bible School July 22-26 – 6:00-8:15PM

VBS 2019 is almost here. I hope you are planning on participating in some way. There are always many ways to support VBS. **This year I will be leading a VBS adult Bible study** focusing our attention on parenting. This would be a great class for young adults who are in the season of raising their children. Parenting is not easy. One might say it is a *“God-sized assignment”*. Help reach out and encourage those you know that might benefit from our study and group time together. One of the greatest benefits of attending this adult study is connecting with other parents for support and encouragement.

Please pray for and offer your support to these attending summer camps.

- **Children Summer Camp at the Lakes – Lake Lavon – June 28 - July 1st**

Thank you to Jamy Stumbagh and Sally Southard for going with our children for this camp. Thanks to Steve Wampler and Kathy Wilburn for providing transportation to and from the camp.

- **Summer Youth Fuge Camp –July 8 - 12**

Our young people will be at our Texas Baptist Encampment in Palacios, Tx. on the Gulf Coast. Thanks to Stephanie and Brad and Laurie Whitmire for leading our group of to youth camp.

Please join with me in praying for all our special events this summer and the lives that will transformed because of these camps. One of the goals of these events is to help build towards our ministry to families and children this Fall. We need YOU to make this happen.

Remember, we have a very important event that happens **every Sunday at 10:30AM** as we meet to celebrate God's love! We miss you when you are away. So don't stay gone long!!

I invite YOU to join us for worship this Sunday!
