Starting off meeting with Hendrick from Safe Routes to School program. He wants us to reach out if there are concerns or would like to request a project.

Principal Kingery (Jamie). He said kids are doing well in school (230 students) with social distancing and wearing masks.

End of quarter on the 16th.

April 22nd will be in person student pictures. TBD on pictures for CDL students, and no class composites this year.

Pre-k will be at the Tualatin Elementary School campus next fall - please reach out if you want information on those programs.

Kinder registration is open and information night is April 27th.

Update on the Garden from Mr. Taylor - the garden has to-do lists and things that would normally get done with the classes, those still need to be done. Classes are not getting out to the garden as much due to limited in classroom time. There is a need for parent volunteers to get those things done. Right now there is a need for mowing and weeding.
