

All,

DMHOA is very excited about this upcoming event call Do More 24. I a fund raising event which kicks off on march 4th at 6 pm and runs to March 5 ending at 6 pm.

I have attached a letter giving you the scope of the event and would like you to share with all your residents and members.

There is a link to our page for this fund raising event.

We will be getting more information out as we move forward for this great event.

All we ask is that you all share the information and also help us raise some fund which also will be matched per say with a pool of stretched funds as well.

First place winner will also get some more cash added to their donated pool as well.

We are building a campaign for DMHOA Emergency Building fund to help residents in time of need for major or minor emergencies related to their needs.

I will also be speaking on this topic Monday night February 22nd at 6:30 pm on the DMHOA general membership.

So please go to the link and preregister for donating to our cause.

If you have any questions please let me know. Thanks all

William A. Kinnick Jr
