## About Me

My oldest daughter, Alaina, and her husband, Casey are expecting their first baby on July 10th of this year.

-----

I am the custodian at VCS and VLC and very much enjoy working with the people there. We are truly one big family and I can honestly say that I've never worked with more loving and helpful people. It's just awesome!

-----

I play keyboard at VLC for our second and third worship services which I enjoy immensely. (I started playing when I was 7 years old.

-----

I enjoy flying a small drone and find appropriate places in Jamestown to do it.

-----

I LOVE chocolate of almost any kind. (I inherited this from my mom.)

I also enjoy Dominos and Papa Murphy's pizza

-----

Before coming to Jamestown, I pastored a small church in the town of Anamoose for 20 years. Again, it was a very small church, but it also contained some awesome people.
