

Important Announcement: June 2020 Dance Cancelled

Dear TBDC Dance Friends:

We have been limited by state and local restrictions for the past few months, and still find ourselves in that situation. Because it is designated as a seniors facility, the McAbee Center has remained closed, and a reopen date is uncertain. In fairness to the band, decorators, and others, the Board has voted to cancel the June dance. We are monitoring reports and updates, and will alert our membership when circumstances allow us to resume our normal schedule of dances. As is the case with many things in our lives right now, future dances may have a different look and feel as we strive to provide an atmosphere of safety for our members. We anxiously anticipate a return to dancing!
