

Some of our fantastic annual
draw prizes and trophies

Not sure if you want to
commit to membership right
away, then why not play as a
guest for one Tuesday to see if
the club is right for you

Our wind up banquet (last
Friday in September) is
acknowledged as the best in
Western Canada with fantastic
draw prizes and trophy
presentations and everyone
attending wins a door prize

Our 19th hole celebrations are
held in our own section of the
banquet hall at Tsawwassen
Springs and this is the place to
catch up with old
acquaintances and to meet
new friends, so come on in
and give us a try

We are a socially conscious
club and with the generous
donations of our members and
the participation of local
schools, every Christmas we
present food and gift packages
to needy South Delta Families

The premier independent
