Section V - Phyllis Goodwin Agency of the Year Award

By naming the award after Phyllis Goodwin, the GA Chapter continuously pays tribute to the woman who served the FBI for almost 38 years. During most of those years she served as the Police Training Tech and she assisted all who wanted to attend the National Academy. She walked us through the application process and she was always the person our members could turn to with a question about the National Academy. We are indebted to her professionalism and her hard work to make the Georgia Chapter, a premier chapter.
