- Jeff Ferri had his gallbladder removed because it was gangrene but is doing well now and is back to work.

- **Kids Activities at Cruise-in:** Tim Arledge reported that only one person from DuCan showed up but he deemed the activity a success, a lot of kids attended and had fun. Tim stated he did not take a head count but will do this in the future.

## **NEW BUSINESS:**

- **Awning on Trailer:** Bob Wolf reported to the members his findings on prices for an installed awning was \$1,000+ although he thought we could install it ourselves. If we did this new ones start at \$300.00 and go up depending on the how heavy duty the fabric and frame is. The conversation went to parking the trailer on the other side of the drive but we would have to drive over the cord. We also talked about relocating the registration at the East side at the North end of the building, but that separates the girls from the show. Jeff started a conversation about just using a screen sun blind that installs on the pop-up available at Dicks Sporting Goods instead. Steve will pick up a screen and see if this works.
- **Club Night Out:** Headed to Doug & Vicky Kilbourne's house on Sunday July 17th. They will have pulled pork for City Barbeque and will provide table service. Doug asked people to bring a chair, side dish and their own drink. Please note eating will begin around 4:30pm and you can show up anytime after 3:00pm.
- **Voting:** Dale said that we are still not getting members voting so we can pick trophies winners. We are only averaging 10-15 votes. Dale also displayed a steel cutout he received as a trophy as a possible option next year that may be less costly and different than our current standard trophy.
