

## Hot Chocolate and Marshmallows!

Brr...! It's cold outside!

Let's make some hot chocolate with marshmallows.

The bag has 5 marshmallows.

Roll the dice to find out how many marshmallows you can put in your hot chocolate.

- Record what happens:  $5 - \_\_\_ = \_\_\_$  makes  $\_\_\_ = 5$  left in the bag.
- Prove it!  $5 - 3 = 2$  because  $3 + 2 = 5$
