

**Deyi Zheng, MD, PhD**  
Family Medicine  
郑德义

**DEYI ZHENG, MD, PhD, ABFM**  
FAMILY MEDICINE PHYSICIAN, BOARD CERTIFIED  
US CITIZEN

Active licensure: California

Active hospital privilege:

Dignity Health Mercy General Hospital  
Sutter Independent Physicians

Deyi Zheng, MD, Inc, (d/b/a Access Family Medicine Sacramento), since 8/1/2007

Office Address:

500 University Avenue, Suite 210

Sacramento, CA 95825

(916)927-7070

(916)927-7007 fax

[drzheng@familyaccessmd.com](mailto:drzheng@familyaccessmd.com)

#### EDUCATION & TRAINING

MB in MEDICINE & Public Health: Shanghai Medical University, Shanghai, China, 1988

MS in EPIDEMIOLOGY: State University of New York at Albany, Albany, New York,  
1994

PhD in EPIDEMIOLOGY, magna cum laude: University of South Carolina, Columbia,  
South Carolina, 1997

INTERNSHIP & RESIDENCY: Palmetto Health Alliance Richland Hospital/University of  
South Carolina SOM Family Medicine Residency, Columbia, South Carolina, 2003-2007

SPECIAL INTERESTS: Complementary & alternative medicine's acupuncture and herbal  
medicine, diabetes/complications, wound care, insomnia, migraine, joint pain, irritable  
bowel syndrome, depression, and office procedures

#### LICENSURE & CERTIFICATIONS

Hospital Privilege:

Dignity Health Mercy General Hospital, Sacramento, CA, 2007-

Sutter Independent Physicians

Woodland HealthCare, Woodland, CA, 2007-2009, voluntary withdraw

Mercy San Juan Medical Center, Sacramento, CA, 2007-2009, voluntary withdraw

Licensure:

California 07/01/07 - 01/31/09, 01/31/09 - 01/31/11, 01/31/11-01/31/13, current  
01/31/2013-01/31/2015

South Carolina 06/29/07 - 09/30/07

South Carolina 07/01/03 - 06/30/04 & 07/01/04 - 06/30/07

Certification: American Academy of Family Physicians, July 1, 2007

Successful completion of an accredited residency in family medicine

Board Certified with American Board of Family Medicine (ABFM) 12/8/07-12/31/17

United States Medical Licensing Examination (USMLE):

STEP 1 (Basic Medical Science): Passed at 1st attempt on March 5, 2002

STEP 2 (Clinical Science): Passed at 1st attempt on October 29, 2002

CLINICAL SKILL ASSESSMENT (CSA): Passed at 1st attempt on November 25, 2002

STEP 3 (Practice & Patient Care): Passed at 1st attempt on October 28 & 29, 2005

American Board of Family Medicine

Board Certification Exam: Passed at 1<sup>st</sup> attempt on December 8, 2007

Educational Commission for Foreign Medical Graduates (ECFMG)

on 1/16/2003 & permanent on 8/27/03

CERTIFICATIONS

Basic Life Support (BLS) for Healthcare Provider by American AED CPR Association  
2/17/2011-2/17/2013, 2/17/2013-2/17/2015

Primary Training in Hyperbaric Medicine

1/26/2007, National Baromedical Services

Foundation for Effective Wound Management

8/29/2006, by the National Baromedical Services

Pediatric Advanced Life Support (PALS) Program

6/23/03-6/23/2005, by the American Academy of Pediatrics/American Heart Association

Neonatal Resuscitation Program (NRP) Provider

7/11/03-7/11/2005, by the American Academy of Pediatrics/American Heart Association

Advanced Cardiovascular Life Support (ACLS) Program

7/17/2003-7/17/2005, & 5/14/2005-5/14/2007, by the American Health Association

Advanced Life Support in Obstetrics (ALSO) Course

7/19/2003-7/19/2008, by the American Academy of Family Physicians

Basic Life Support (BLS) for Health Care Providers Program

10/30/2003-10/2005, by the American Heart Association

Advanced Trauma Life Support (ATLS) Course for Doctors

11/2/2003-11/2/2007, by the American College of Surgeons Committee on Trauma

Emergency Ultrasound

6//2005 by Palmetto Health Alliance Richland Emergency Medicine

Fundamental Critical Care Support

7/22/2005, by the Society of Critical Care Medicine

#### COMPUTER EXPERIENCES:

Clinic/hospital: Office Ally, Epic, and Dignity Health hospital EHR system, Sutter Health hospital EHR system, UC Davis EHR system, Versaform, Practice Partner, Logician, Epicenter, Citrix, AGFA IMPAX PACS, EasyWeb, TraceMaster, Vista

Data Management and Analysis: SAS/STAT/BASE, Stastica, MS Access (Database), MS Excel, MS PowerPoint, HTML

Software: SAS/BASE/STAT/GRAPH, MS Access, MS Excel, SUDAAN, SPSS, dBASE, R2 Xbase, EpiInfo, & EpiMap, Stastica

Systems: Windows Vista, Windows XP (& Microsoft Programs), MVS, VM/CMS, and UNIX.

Data management: Data transfer or export for PC & mainframe platforms, boundary mapping. MS Access database

Analysis: Univariate, Bivariate, Linear Regression, Logistic Regression, Survival, Poisson Regression, & Factor Analysis, Genetic Linkage Analysis, Haplotype Analysis, and Meta-analysis

#### HONOR, & AWARD, SCHOLARSHIP

\* Shanghai Universities' Soccer Championship Awards, 1983, 1984, 1985, 1986, & 1987

\* China Ministry of Health's Medical Colleges' Soccer Championship Award, 1986

\* Scholar Award, the China Ministry of Health and Ningxia Dept of Health, 1991

\* Public Health Foundation Scholar Award, New York, 1992

- \* Outstanding Graduate Research, USC, April, 1997
- \* Delta Omega Society, USC, May, 1997
- \* Notable State Documents Awards for 2000, SC
- \* The American Diabetes Association Presidential Poster Award, 2002
- \* Best Student Poster at 8<sup>th</sup> Annual Diabetes Symposium, 9/25-27, 2002, Charleston, SC (Faculty advisor for PhD student Katharine Hendrix)
- \* The CDC Division of Diabetes Translation Conference Poster First Place Awards, 4/1-2, 2003 (Won three of five poster awards: Health Systems Category, Community Interventions Category)
- \* First Place Coalition Poster Award at 9<sup>th</sup> Annual Diabetes Symposium, 9/24-26, 2003
- \* Best Student Poster at 9<sup>th</sup> Annual Diabetes Symposium, 9/25-27, 2003, Charleston, SC (Faculty advisor for PhD students Gayenell Magwood and Charles Hossler)
- \* Thomas House Compassionate Award, June, 15, 2007, SC

#### PROFESSIONAL ASSOCIATION

American Academy of Family Physicians 2003-  
 American Medical Association 2003-

#### EDITORIAL POSITIONS:

Co-Editor, Symposium-J SC Med Assoc 1998  
 Reviewer, Preventive Medicine, 2002-2003  
 Editorial Board of The Journal of SC Med Association 2006-2007

#### COMMUNITY SERVICE & VOLUNTEER

Secretary (1992), Chinese Community Center Capital District of New York, Albany, NY  
 Coach (1998) for Charlestowne Soccer Club: U-10, Charleston, SC

President (1999), Chinese Association in Greater Charleston, Charleston, SC  
Columbia Free Clinic, 2003-2007, Columbia, SC  
DIABETES HOUR: [www.diabeteshour.com](http://www.diabeteshour.com), 2004-. Partner with Mr Liankui Sun.  
EPIWORLD--Computer Applications in Epidemiology, an Internet discussion group  
founded in July '95 & have been managing it since (List: [listserv@vm.sc.edu](mailto:listserv@vm.sc.edu) & group:  
[epiworld@vm.sc.edu](mailto:epiworld@vm.sc.edu)). It was inactivated in 6/2003.  
DEAR---Depression Evaluation and Assessment Research on the WWW founded in 1996  
(URL: <http://genesis.psc.sc.edu/~fliu/dear>). It was removed in 12/2001.  
The Chinese Association in Greater Charleston (CAGC) email group management since  
1999-2003.  
Coach (2008) for Davis American Youth Soccer Organization: U-8, Davis, CA  
Honorary Co-Chair, One Night, One World, 2008 Olympics Opening Ceremony Viewing  
Party, August 8, 2008 at Cal Expo  
Certified Referee for American Youth Soccer Organization, Regional level: 1/2009;  
Intermediate level: 9/2009; Advance level: 3/2010, National level: since 4/2013

## PROFESSIONAL & ACADEMIC EXPERIENCE

### Professional

1/1986 - 8/1986, Internship/Residency: Shanghai No. 6 People's Hospital, Shanghai  
9/1987 - 12/1987, Center for Disease Control and Prevention, Changning, Shanghai  
9/1988 - 8/1991, Residencies or Post Doctoral: Ningxia Department of Health, Ningxia  
7/2003 - 6/2007, Internship & Residency: Palmetto Health Richland Hospital/USC SOM,  
Columbia, SC  
8/2007 - President and Chairman of Board of Directors, Deyi Zheng, MD, Inc (d/b/a  
Access Family Medicine Sacramento), CA

### Academic

9/1988-5/1991, Public Health Physician, Ningxia Department of Health  
5/1991-4/1992, Visiting Scholar, Univ of South Florida Dept of Biostatistics &  
Epidemiology, State Univ of New York at Albany Dept of Epidemiology, New York Dept  
of Health Alzheimer's Disease/Other Dementia Registry  
5/1992-7/1993, Research Scientist, New York Dept of Health Alzheimer's Disease/Other  
Dementia Registry  
8/1993-6/1994, Teaching Assistant, State Univ of New York School Public Health  
Computer Lab  
7/1994-12/1996, Research Assistant, University of SC Alzheimer Disease Registry/  
Prevention Center  
5/1996-3/1998, Biostatistician, SC Dept of Health & Environmental Control's Diabetes  
Control Program  
10/1997-3/1998, Biostatistics Consultant, Professional & Scientific Associate, Atlanta,  
Georgia  
4/1998-7/1998, Data Manager and Research Analyst, MUSC COM Dept of Biometry &  
Epidemiology

8/1998-6/2003, Instructor/Assistant Professor, MUSC College of Medicine Dept of Biometry & Epidemiology, Dept of Medicine's Division of Endocrinology  
7/2002-6/2003, Assistant Professor, MUSC College of Dental Medicine, Dept of Stomatology's Division of Oral & Community Health Sciences

EXTRAMURAL GRANTS (up to 6/2003):

Project PI (60% effort)

Agency: NIH

Project Title: Epidemiological Study of Periodontal Disease and Diabetes: Cytokine Genes and Inflammation Factors

Center Title: South Carolina COBRE (Center of Biomedical Research Excellence) for Oral Health

Center PI: Steven London

Funding Dates: 9/30/02 - 9/29/07

Total Award \$8,704,040

2nd Principle investigator (50% effort)

Agency: Centers for Disease Control and Prevention (CDC)

Title: REACH 2010 Demonstration Project: Charleston/Georgetown REACH Diabetes Coalition

PI: Carolyn Jenkins

Funding Dates: 9/30/02 - 9/29/07

Total Award: \$5,335,970

Co-investigator (50% effort)

Agency: NIH/National Heart, Lung, & Blood Institute (NHLBI)

Title: Markers and Mechanisms of Vascular Disease in Diabetes—Biostatistics Core

PI: W. Timothy Garvey, Core Leader: Daniel T Lackland

Funding Dates: 07/01/01 - 06/30/06

Total Award: \$9,510,942

Co-investigator (50% effort) U50/CCU417281

Agency: Centers for Disease Control and Prevention (CDC)

Title: REACH 2010 Demonstration Project: Charleston/Georgetown REACH Diabetes Coalition

PI: Carolyn Jenkins

Funding Dates: 9/30/00 - 9/29/04

Total Award: \$3,928,001

Collaborator (5% effort)

Agency: American Diabetes Association (ADA)

Title: Lipoprotein Subclasses and Vascular Complications in the DCCT/EDIC Cohort

PI: Richard Klein

Funding Dates: 7/1/00-6/30/03  
Total Award: \$300,000

Co-investigator (23% effort)

Agency: NIH/National Heart, Lung, & Blood Institute (NHLBI) 1 PO1 HL55782-01A1  
Title: Markers & Mechanisms of Macrovascular Disease in Type 1 Diabetes-Core B:  
Biostatistics & Epidemiology  
PI: W. Timothy Garvey, Core B Leader: Daniel T Lackland  
Funding Dates: 9/30/96 - 8/31/01  
Total Award for Core B: \$390,000 (total cost)

Co-investigator (23% effort)

Agency: Juvenile Diabetes Foundation (JDF) International-996001  
Title: Markers & Mechanisms of Macrovascular Disease in Type 1 Diabetes-Core B:  
Biostatistics & Epidemiology  
PI: W. Timothy Garvey, Core B Leader: Daniel T Lackland  
Funding Dates: 7/1/96 - 6/30/01  
Total Award for Core B: \$380,000 (total cost)

Co-investigator (20% effort)

Agency: Healthy South Carolina HAD-ME MUCR2402000 81474 1932 01  
Title: Healthy South Carolina Initiative: Hypertension and Diabetes Management &  
Education Program: Charleston's Enterprise Community  
PI: Carolyn Jenkins  
Funding Dates: 7/1/97-6/30/00  
Total Award: \$652,727

Consultant

Agency: American Diabetes Association (ADA)  
Title: Lipoprotein Subclasses and Vascular Complications in the DCCT/EDIC Cohort  
PI: Alicia Jenkins  
Funding Dates: 7/199 - 6/30/00  
Total Award \$100,000

Co-investigator/Consultant

Agency: Centers for Disease Control and Prevention (CDC) U50/CCU417281-01  
Title: REACH 2010 Demonstration Project: Charleston/Georgetown REACH Diabetes  
Coalition  
PI: Carolyn Jenkins  
Funding Dates: 9/30/1999 - 9/29/00  
Total Award: \$305,000

Intern Proctorship

Christy Sherwood, UCD physician assistant intern March-July 2008  
Shelley Bloom, University of Phoenix nursing practitioner May 2011-

ACADEMIC COMMITTEE ACTIVITIES (while at MUSC):

MUSC Culture Projects Council

MUSC Core Clinical System Steering Committee

Department of Biometry & Epidemiology Student Recruitment Committee

Department of Biometry & Epidemiology Collaborative Unit

Department of Biometry & Epidemiology's Epidemiology Curriculum Committee

Department of Biometry & Epidemiology Information Technology Sub-Committee

Dissertation Committee: Daniel H Atchley, Ph.D. candidate 2000-2002 (graduated in 2002)

Title: Oxidized LDL density lipoprotein antibodies and oxidized low density lipoprotein-containing immune complexes: characteristics and pathogenic significance in diabetes

Master Thesis Committee: Kerin A McCormack, M.S. candidate, College Graduate Study: Cell Biology & Anatomy, 2002- (graduating in May 2002)

Academic Advisor for: Andrea J Semler, Master's Student in Epidemiology

7th Diabetes Symposium for Health Care Professionals Program Planning Committee '01

8th Diabetes Symposium for Health Care Professionals Program Planning Committee '02

8th Diabetes Symposium for Health Care Professionals/3rd Diabetes Initiative of South Carolina Scientific Poster Session 2002: Chairman

9th Diabetes Symposium for Health Care Professionals Program Planning Committee '03

Attending: Physician Assistant/Nursing Practitioner Intern Ms Christy Sherwood from UC Davis Program Feb-Aug, 2008

Attending: Physician Assistant/Nursing Practitioner Intern Ms Shelley Bloom from Phoenix University Program May-, 2011

STUDENT PRESENTATION ADVISORY:

Presenter: Anne Rocchini. Sponsor: Richard Klein. Human serum paraoxonase in type 1 diabetes mellitus - enzyme activity and genetics. Medical University of South Carolina Summer Undergraduate Research Program Presentation, Aug 3-4, 1999.

Presenter: Jennifer Clore. Sponsor: Timothy Garvey. The role of gene polymorphisms related to clotting and endothelial function in diabetes complications. Medical University of South Carolina Summer Undergraduate Research Program Presentation, Aug 3-4, 1999.

Presenter: Michelle Rothen. Sponsor: Tim Lyons. C-reactive protein and vascular disease in type 1 diabetic patients. Michelle Rothen, Alicia Jenkins, Timothy J Lyons, Deyi Zheng, Karina Moller. 35th annual MUSC Student Research Day, Friday 3rd November 2000.

Presenter: Valeria Shipp (PhD student). Enterprise/MUSC Neighborhood Health Program: A Community-based partnership for hypertension and diabetes (HAD-ME). MUSC Student Research Day 2002.

Presenter: Katharine Hendrix (PhD student), Best Student Poster at 8th Annual Diabetes Symposium, Charleston, SC. Chart audits reflect different standards of diabetes care by site of health care and patient care. Katharine Hendrix, Jenkins C, Kozlowski L, Zheng D, and REACH Team and REACH Partners, September 25-27, 2002.

Presenter: Gayenell Magwood, MSN and Charles Hossler (PhD students), MSN, Best Student Poster at 9th Annual Diabetes Symposium, Charleston, SC. REACH 2010 Charleston and Georgetown Diabetes Coalition: Reducing disparities for diabetes through health systems change, September 24-26, 2003.

#### MAJOR TEACHING RESPONSIBILITIES (Courses taught):

Epi Info (1998)

Introduction to Statistical Computing and Data Management (SAS & Statistica, 98 & 00)

Epidemiology of Diabetes (BMTRY 10-789, Spring, 1999)

Epidemiology of Diabetes (BMTRY 749, Spring, 2002)

Introduction to Clinical Ethics (Fall, 2002)

Selected Topics in Epidemiology (BMTRY 789, Spring, 2003: 6 diabetes lectures)

#### INVITED LECTURES AND PRESENTATIONS:

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's 8<sup>th</sup> Annual Conference, Sacramento, CA, April 20, 2013.

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's 7<sup>th</sup> Annual Conference, Sacramento, CA, April 28, 2012.

\* Deyi Zheng. Challenges in treating Asian patients: better understanding of Asian culture leads to better outcomes. Chinese American Medical Association of California's Symposium: Osteoporosis management in Sacramento Asian Communities, Sacramento State Aquatic Center, September 3, 2011.

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's Symposium: Osteoporosis management in Sacramento Asian Communities, Sacramento State Aquatic Center, September 3, 2011.

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's 6<sup>th</sup> Annual Conference, Sacramento, CA, April 23, 2011.

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's 2010 Labor Day Medical Program, South Lake Tahoe, September 4, 2010.

\* Deyi Zheng. Cancer Screening in the United States presented at the Cancer Institute, Chinese Academy of Medical Sciences and Peking Union Medical College, Beijing, China, June 26, 2009.

\* Deyi Zheng. Moderator, Chinese American Medical Association of California's 4th Annual Conference, April 18, 2009.

\* Deyi Zheng. Ten Medical Advances from Time, 2008, Chinese American Medical Association of California 2009 New Year Presentation, Feb 14, 2009.

- \* Deyi Zheng. Pulmonary arterial hypertension: epidemiology, treatment options and prognosis. At the Family Medicine Center, the Palmetto Health Alliance/USC School of Medicine Department of Family and Preventive Medicine, June 20, 2007.
- \* Deyi Zheng. Parathyroid hormone is elevated with impaired balance ability and with hospitalization. 2007 South Carolina Hickory Knob Symposium, Hickory Knob State Park, McCormick, SC, May 18-19, 2007. (Accepted. Later withdrawn by presenter)
- \* Deyi Zheng. Trying to make the diagnosis of irritable bowel syndrome. At the Family Medicine Center, the Palmetto Health Alliance/USC School of Medicine Department of Family and Preventive Medicine, May 23, 2006.
- \* Deyi Zheng. Elevated apolipoprotein B in cardiovascular disease. 2005 South Carolina Hickory Knob Symposium, Hickory Knob State Park, McCormick, SC, May 13-14, 2005.
- \* Deyi Zheng. Nutrition & Diseases in Clinical Practice and Advances in Obesity, at the Forum for Development of Nutrition & Healthy Food, Hangzhou, China, October 24, 2004 (Via Internet Netmeeting for members from Shanghai, Jiangshu, Zhejiang Provinces' Nutrition Academia).
- \* Deyi Zheng. Diabetes and Complications, at the Medical College of Ningxia, Yinchuan, Ningxia, China, June 30, 2004.
- \* Deyi Zheng. Diabetes ABC: What do we know? What can we do? What do we expect? First Annual Workshop of the Healthy Initiative of Ningxia, Health Department of Ningxia, Yinchuan, Ningxia, China, November 10, 2002 (via Internet MSN Net Meeting).
- \* Deyi Zheng. Providing Care to Patients from Different Cultures Workshop at MUSC Gazes Building, Solomon Room, October 1, 2002.
- \* Deyi Zheng. Presentation for the Providing Care to Patients from Different Cultures Workshop at MUSC, April 29, 2002.
- \* Deyi Zheng. Panel Presenter for the Cultural Diversity Workshop at MUSC, November 1, 2001.
- \* Deyi Zheng. Epidemiology Measurement and Study Design, and Examples. Guest Lecture in Health Behavior & Epidemiology Course of MUSC's College of Health Professions Department of Health Administration and Policy, Fall 2000.
- \* Deyi Zheng. New development in research and treatment of diabetes and complications, Medical Association of Shizhishan, Shizhishan, Ningxia, China, August 21, 2000.
- \* Deyi Zheng. Markers and mechanism of micro-/macro-vascular disease in diabetes, Health Department of Ningxia, Yinchuan, Ningxia, China, August 30, 2000.
- \* Deyi Zheng. Lecture for Epidemiology of Cardiovascular Disease, Fall 1999.
- \* Deyi Zheng. Epidemiology of Diabetes. Guest Lecture in Introduction of Epidemiology Course of MUSC's Department of Biometry & Epidemiology, Spring 1999.
- \* Deyi Zheng. Plasminogen activator inhibitor-1 levels increase in type 1 diabetes patients with hypertension. At the Epidemiology of Diabetes Intervention and Complications (EDIC) research group meeting. San Diego, CA, Jun 19, 1999.
- \* Deyi Zheng. Classification and Definition Cardiovascular Disease. Guest Lecture in Cardiovascular Disease Epidemiology Course of MUSC's Department of Biometry & Epidemiology, Fall 1998.
- \* Deyi Zheng. Diabetes in South Carolina. Quarterly Meeting for DHEC District Health

Directors and Physicians. Columbia, SC, Feb 13, 1998.

\* Deyi Zheng. Epi Info for data management of the Carter Center's Not Even One Program. Albuquerque, NM, Nov 24-25, 1997.

\* Deyi Zheng. Preventive care among people with diabetes mellitus. USC School of Medicine/Richland Memorial Hospital Seminar, Columbia, SC, Sept 12, 1997.

\* Deyi Zheng. Hospital expenditures for people with diabetes mellitus. SC DHEC's CHIPS Brown-Bag Seminar, Columbia, SC, May 2, 1997.

#### PRESENTATIONS (O=Oral and P=Poster):

\* Deyi Zheng. Elevated apolipoprotein B in cardiovascular disease. 2005 South Carolina Hickory Knob Symposium, Hickory Knob State Park, McCormick, SC, May 13-14, 2005 (O).

\* Deyi Zheng. Increased serum leptin and C-reactive protein levels in people with hypertension and diabetes. Inter-American Society of Hypertension 2003, San Antonio, TX April 27-30, 2003 (O).

\* Deyi Zheng. REACH 2010 Charleston and Georgetown Diabetes Coalition Team and Partners. REACH 2010: Control of high blood pressure and hypertension in people with diabetes. Inter-American Society of Hypertension 2003, San Antonio, TX April 27-30, 2003 (P).

\* Deyi Zheng. REACH 2010: A1c Measurements for African Americans and Caucasians with Diabetes. The Centers for Disease Control and Prevention (CDC) Diabetes Translation Conference, March 31-April 3, 2003, Boston, Massachusetts (P, Poster Award).

\* Deyi Zheng/Gabe Virella. Pro-atherogenic and pro-inflammatory properties of immune complexes prepared with purified human oxLDL antibodies isolated from patients with type 1 diabetes. American Diabetes Association, June 14-18, 2002, San Francisco, California (P).
