- CONTAINS ALL NATURAL AMINO ACIDS & COLOR-ENHANCING ALGAE
- FOOD IS PACKAGED BY HAND AND IMMEDIATELY FLASH FROZEN TO ENSURE MAXIMUM FRESHNESS
- FOOD IS PROCESSED USING STATE-OF-THE-ART STAINLESS STEEL EQUIPMENT IN TEMPERATURE CONTROLLED CONDITIONS
- NO NEED TO RINSE, JUST BREAK OFF AND FEED

BRIEF HISTORY

Jim Casper "Jimi" started making the foods 7 years ago when breeding and raising clown fish commercially. Through years of research and testing, he has perfected the blends. Jim has been around water all his life, including serving in the United States Navy and as a fish and pet store owner/operator for 5 years specializing in all things saltwater. He has now sold the fish store so that he can dedicate his time to his Jimbo's Gumbos products and supply the Fish Gumbo, Reef Gumbo and Chunky Gumbos to wholesale, retail and customers all around the globe!

INGREDIENTS INCLUDE:

- Goji berries that naturally contain 18 amino acids (eliminating the need to add oily, saturated supplements to your tank)
- Haematococcus pluvialis and carrots, giving fish a super saturated color
- Other tasty and healthy nutrients such as broccoli, garlic and omega-3 fatty acids (DHA)
- All three blends are complete food products that fulfill nutrition and protein needs for all living creatures in your saltwater tanks
