To the Sherburn and Welcome City Councils,

The department logged 122 calls for service in August. This brought the total for the year to 1,379. The department stood at 1,333 in 2017 and 1,409 in 2016 for the same reporting period.

Response time average was 2 minutes and 55 seconds. This is right in the average response time for the department.

The department web-site had 2,304 visits in the month of August. This is down significantly from previous months. Typically, the department sees over 2,800 visits each month.

School started again at the beginning of this month and the department is making an effort to be more visible at the school this year. We will be stopping in periodically to eat with students or just visit in a non-formal, relaxed setting. The hope is to build a stronger rapport with the students and interact with them in a non-enforcement manner.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes", with a long horizontal flourish extending to the right.
