

IT'S GOOD TO SEE YOU - C

C F C
It's good to see you so good to see you
G7 F C
Oh how I've missed you since I've been gone
F C
I've crossed the ocean traveled through many lands
C G7 F C
And it's good to see you to be in your home

C F C
There's something in me that makes me wander
G7 F C
There's many a land I have to see
F C
And when I'm far away in a land of strangers
C G7 F C
I know my good friends think on me

C F C
It's good to see you so good to see you
G7 F C
Oh how I've missed you since I've been gone
F C
I've crossed the ocean traveled through many lands
C G7 F C
And it's good to see you to be in your home

C F C
Oh it's a wonder when it comes to friendship
G7 F C
No matter how far away no matter how long
F C
There's a constant thread that's never broken
C G7 F C
And it ties me to my friends at home

C F C
It's good to see you so good to see you

Oh how I've missed you since I've been gone
