Communications- none

Historic Dam Trail- JH submitted a list of items to be completed on the HDT before our spring opening hike. There was discussion of the structure and construction of benches to be located at the dam site. There was also discussion of the issue of fading kiosk panels and the need for a railing solution on bridge ramps. We will schedule work days in the spring.

Hill Town Land Trust has requested suggestions of possible trail locations to hold an edible invasives hike. We discussed the invasive plant possibilities on our WWTC trails and don't feel that any of our trails have sufficient edible invasive species to host a hike.

Hill Town Land Trust would like to lead a Father's Day Hike, June 17, on the Historic Dam Trail.

Adjourned at 8:35 p.m.

Respectfully submitted,

Diane Merritt
