Summer Fun!

Dear WOW Families,

WOW! It has been an exciting start to the summer! We have been busy creating engaging learning experiences to keep all of our summer kids busy and having fun!

We really appreciate all of your help so far this summer in complying with cleaning and safety rule changes as well as all of our special events. Teacher appreciation week was a success, due to the amazing support of all our families and our Board. Thank you so much for your help with everything!

As we continue on through summer, we have a lot of exciting events planned. Please make sure you are following our Facebook page and are logging into the KidReports app as we post a lot of updates. We also send out frequent email reminders. If you are not receiving updates, please see the office so we can help make sure you are getting all the updates to stay informed about what is happening at WOW!

As always, thank you for your continued support,

Lauren Brown

WOW Happenings

July 2020

Help keep our children and staff safe- wear your mask!

As a reminder, we ask all parents to wear a mask when they enter the building. We have an EXTREMELY limited supply of extra masks, so please bring your own.

As a reminder your mask should cover your nose and mouth!

Changes of clothing

Please remember that all children at WOW must have 2 changes of clothing at WOW including 1 extra pair of shoes.

We are also looking for donations of clothing to use as back up outfits.

Calling sick

If your child is not going to be at WOW for the day, please make sure you email or call us 😊 If you forget, you will get an email asking you to respond with the reason your child will not be at WOW!

Fun Fact: July is National Ice Cream Month!

Child Shoe Guidelines

Please remember the following policy from our parent handbook:

Flip Flops, dress shoes, and shoes without a back may not be worn by children at World of Wonders.

Children should wear shoes that are comfortable, stay on their feet and have nonskid soles.

It is highly recommended that children wear tennis shoes to WOW each day. If it is water day and you are packing sandals or water shoes, please make sure your child has an approved pair of shoes to wear when they are not doing water day.

Happy Birthday!

Ms. Hannah (7/1)

Ms. Heidi (7/19)
