November 2016 Newsletter

At the November meeting Vern had a lot of great news to pass along to us from both the ISA and DNR meetings he recently attended.

ISA is busy getting things whipped into shape as a great organization for us to belong to. They are putting a lot of effort into hosting the best ever ISA Ride In since it will be their 25th anniversary. Please see the flyer on details.

We are recommending everyone to join the ISA in support of our great sport of snowmobiling!

DNR reported that they are working on a Web App for our Indiana Trails. They plan to make it available closer to December on their website. It is to work on any smartphone or device with a web browser.

Who would have ever

thought when we started the trail back in 1981 that this kind of technology would be available for our trail.

The Vintage Ride on the Heritage Trail will be changed to January 29th so that it will be a part of the HAAA Pancake & Sausage Breakfast. More details on both events to follow soon.

Heritage Trail—Almost Ready for Action!

We have had a lot of help this fall in getting the trail ready so far for the 2016/17 season and we THANK YOU!

I understand that those that helped on November 12th were able to signed approximately 3/4 of the trail in the afternoon. This sounds to me like a new record for HBBS!

We have until December 1st to have the trail ready for use. We decided to take today off since the weather wasn't too nice. To bad all of the snow I have seen coming down today couldn't begin to stick to the ground. We will keep you informed when our next work day will be (hopefully 11/26 or 27).

Belonging to a snowmobile club makes you a part of the solution instead of a part of the problem!

What! Can you believe it's been 25 years since the ISA hosted the very first Ride-In! They will be giving away \$300/\$200 to the clubs with the 1st & 2nd highest number of members that attend! This to me is a challenge to Hoagland Blizzard Blazers to be a part of this great event. Don't delay—make your reservations today.

Due to January being a busy month for trips we are moving the Wellston Trip to **February 9-12, 17**. Again the club has spoken for the entire resort (not including the house).

If you are interested, or planning on attending, please let me know as soon as possible so that I can figure out who is staying with who, which cabin to put you in, and what day you are planning to arrive, etc.

The great people at Schmid's is excited that we are coming to stay with them again. They now have an area designated with a pool table, tv, etc. that we can all enjoy.

We do a group cook out usually on Saturday night to celebrate the great times we had from the trip. We'll take more about the trip at the January club meeting.

To confirm your spot contact Barb Sorg at 260-437-0224 or hoaglandblizzardblazers@msn.com.
