MONDAY 02/13/2023 @ 7:00 pm

#### 208: Utility Shed: (Adopted by the Board of Directors 11/29/2018)

**REMINDER TO RESIDENTS OF PERMIT VS. NO PERMIT AND BE SURE TO INCLUDE MEASUREMENTS/SPECS.** The Association understands the members' desire for utility shed. In meeting its obligations to protect its members, the Association must have reasonable assurance that all shed installations are robust enough to withstand hurricane force winds. Additionally, the County now requires a building permit for sheds. The following rules apply to shed applications:

- \* Only one shed per property is allowed.
- \* A utility shed or vinyl structure will be located at the rear or side of the existing house as close as possible but not more than 4 feet.
- \* Prior to construction/installation of a shed the owner must submit a site plan with
- \* dimensions including shed structure to the Environmental Control Committee for
- \* review, receive committee approval and submit a copy of county permits( if applicable) prior to the start of the project.
- \* The shed floor size and the dimensions of the shed cannot exceed eight feet by ten feet (8x10) in width or length or an equivalent size not to exceed 80 square feet, and height of shed not to exceed 8 foot 6 inches.

Larger sheds up to 10x12 feet max or equivalent size not exceed 120 square feet may be approved only if consistent to the available lot size.

- No Solicitation signs may be placed at your home but no larger than 4" x 12" .
- Any changes to outside of home must be approved by the Environmental Control Committee first.
- NO ALCOHOLIC BEVERAGES OR FOOD ALLOWED IN POOL AREA. You may use picnic area behind fence. Violators FOB'S will be deactivated.

#### NEIGHBORHOOD WATCH GROUP

With the impending departure of our seasonal neighbors, there is a great need for our year round neighbors to be the eyes and ear of the community. Our watch group is a vital link to stop crime and making our community safe.

REMEMBER: During your daily routine, be aware of suspicious activity or anything that "seems out of place" or out of the ordinary. All

suspicious activity should be reported to:

**CCSO Non Emergency: 941-639-001**

Emergencies only: 9-1-1

Questions or for information call:

Tom Jenkins: 941-623-4966/401-457-8701

#### Clean up from Hurricane Ian:

We have been very lax in violations since the hurricane (9/28/2022). Please be advised that effective January 1, 2023 we began the new year and we resumed all normal day to day procedures and the enforcing of the Rules & Regulations. Please do your part in the clean-up and contact Waste Management. (941- 629- 1106) and/or an individual contractor to remove debris and/or large household appliances/furniture. Lets work together and get our community cleaned up.

Pets must be on a leash at all times.

Please pick up after your pet or  
a violation will be issued.
