

Hellooo Chapter 24!

I smile as I begin this report for the newsletter. I smile at the word news as this is going to reflect the times in which we are living. And I smile because I know that as RVers we are all doing what needs to be done and will be back on the road at some point this summer.

Our April-May-June rallies and luncheons have been suspended. We are very hopeful that we will begin again in July. Dick Reed has been working to keep in touch with both McCloud RV in McCloud and Pioneer RV in Quincy to verify that we intend to keep our reservations. He has also been working on some 2021 reservations, so we keep moving forward.

The news from Escapees National is that they canceled the Escapade and several other outings, hops, etc. I do see that some of the SKP parks are still accepting visitors. Park of the Sierras in Coarsegold, CA is not taking reservations, but allowing boondocking outside their gates. Timber Valley in Sutherlin OR has a 14-day quarantine upon arrival.

Just a reminder that we continue to post updates and fun in our Facebook group, **Escapees Gold Nugget Chapter 24**. If you have not yet joined, please do. It is the fastest way to know how everyone is doing and what is coming up. Also, don't forget our website goldnugget24.org to find the schedules and reservation forms.

I hope you all are staying healthy and safe.
SKP Hugs,

Jackie Friday
