MARINE TERRACE RESORT

FALL NEWSLETTER AND 2020 BUDGET

(SIGN AND RETURN ONE (1) OF THE ENCLOSED PROXIES ASAP)

PRESIDENTS LETTER

September 2019

Dear Fellow Owners,

The Fall season is almost here and we hope everyone has had a great summer.

We are two-thirds through the 2019 hurricane season and have safely dodged hurricane's Dorian and Humberto. The extensive preparation to secure the building and outdoor pool deck areas has paid off with no damage to property and very little debris cleanup. Our maintenance staff was on site in case there was any threat to our building.

Phase II of our window project finally began mid-July which included replacing the sliders in the first bedroom of our beach side two bedroom units, replacing all the first floor windows with impact resistant glass in case an ocean surge breached our sea wall, and replacing our front doors and back doors to the pool deck.

All this was going on in September making for a very interesting month for our staff. We are making progress updating the units as they become available and we thank our owners for their patience and understanding while doing so.

Our Board has been working diligently throughout the year to reduce our overall expenses in every area possible and have recently approved a 2020 budget with no increase in our maintenance fees while still funding our reserves at 100%. Our thanks goes to our Treasurer, Dale Volkman and in-house accountant, Darla Carlson, for scrutinizing our long-term spending plan to keep our financial future bright!

As I have stated in the past, our owner's input is vital. Your ideas and suggestions helps to make Marine Terrace what it is today. If there is a problem in your unit, please alert the front desk so maintenance can correct it. Danielle Deloach has been having Monday morning "meet and greets". Stop in, find out what is happening at Marine Terrace. You as owners are our best marketing tool to sell units.

On behalf of the Board of Directors and Staff, we are looking forward to another successful year.

Respectfully,

Rick Nicholas Board President

Marine Terrace Resort

New words have been inserted in the text and <u>underlined</u>; words to be deleted have been lined through with hyphens (i.e., <u>deletion</u>). However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of bylaw. See bylaw _____ for present text;

1. Paragraph 4. (d) Adjournment, is amended to read as follows:

Board Resume

I am a very young grandmother, who at one time worked as a bank teller, processed mortgages, and worked in retail sales at Service Merchandise for over nine years.

Because I realized the customer is the one who paid my check every week, I took the award for "super star" of the year for the entire northeast district. My husband and I were flown to Nashville, Tennessee, where corporate office was, spent the whole weekend at the Opryland hotel, where we were wined and dined on the General Jackson steamboat, toured home office, given appreciation gifts...just for doing what was right for the customer.

We have owned timeshare in the White Mts of NH since 1982, and love it so much, we built our home just two miles from it, overlooking the Saco River.

Over the years, I have learned, if you treat people with respect, and listen to their side of the problem, you will end up with an amicable solution.

My point is, there are a lot of us who own many weeks at Marine Terrace, I personally own nine of them and looking to purchase more. If elected to the board, I will do my very best to keep costs reasonable, while keeping our "home away from home" exceptional. I especially like our finances currently and most importantly I am available for the board meetings.

Please consider my offer to serve on our board by representing your concerns, and future hopes for Marine Terrace.

CHERYL COUGHANOUR SHAW

It has been my extreme pleasure to serve for you on the Board of Directors for the past three years. Although I was new to procedures, policies and protocols, with the guidance and patience of the experienced board members, I soon felt at ease.

The thought, discussion and careful timing of every decision made on behalf of the owners is astounding. I am proud to be part of a team that has worked hard to turn your ideas and suggestions into an attainable plan. This Board has worked tirelessly to balance the budget to not only fund our improvements, but to complete them with no increases in maintenance fees.

When I ran three years ago, I felt my experience from attending meetings on a regular basis could help me add a new and useful point of view. I have, at every meeting and discussion, held true to my promise of giving every owner a voice. The Resort is very dear to me and my family, and I have been dedicated to maintain the quality of Marine Terrace. It's been a pleasure to make many new friends and help in any way I can.

We still have much more work ahead and are always looking for new ideas. I would greatly appreciate your support in allowing me to continue being a part of this hard working and extremely caring Board of Directors.

With highest regards,

I would like to submit my desire to serve on the Board of Directors for Marine Terrace. I am a retired Navy Master Chief with 26 years of service in shipboard and shore duty while serving as Commissary and Navy Exchange Officer. These assignments exposed me in the management of payroll and budgeting.

I have owned unit 4B since day one of Marine Terrace's opening. I also own unit 4D in the month of September. If I am accepted, I will work to help in the operation of Marine Terrace and try my best to answer any questions or recommendations requested by owners.

Thanks for your support!

IMPORTANT THINGS TO REMEMBER:

SMOKING

Smoking seems to be a constant problem throughout the year. Marine Terrace is a non-smoking resort. No smoking is allowed on the property, except in the outside designated smoking area only. We need to ask that you be respectful to those around you and smoke in these designated smoking areas only.

Smoking of any kind inside the units will not be tolerated and you will be assessed a \$250.00 cleaning fee for extra cleaning and an additional charge if the next guest must be moved due to smoke.

PAYING MAINTENANCE FEES ONLINE

Marine Terrace accepts on-line payments through our website at www.marinetrrraceresort.net. This online access is called Oombaga and can be accessed either by computer, laptop or mobile device.

Owners can pay their maintenance fees in full by using this system. Please note that partial payments cannot be done online. There is a 5% convenience fee for paying maintenance fees online or by phone. Sorry we do not accept American Express.

Marine Terrace accepts prepayment checks with no additional fees. There is no minimum to how much you send in. Owners may set up Bill Pay through their own personal bank and reference the account by unit and week. This is a great option for those that would like their maintenance fees paid before the Holidays.

NO PETS ALLOWED

Pets are not permitted on our property except for service animals as governed by the American with Disabilities Act (ADA). Service animals must be under the control of the owner at all times. This means they should be on a leash and cannot be left in the unit unattended. If you have a service animal, you must register your animal with the front desk at check-in.

Certified Emotional & Therapy Animals <u>are not permitted</u>, and do not fall under the regulations of the Americans with Disabilities Act. (ADA)

PARKING

Parking is limited! The resort offers <u>one</u> parking spot for each unit in the garage. However, the garage clearance is 6' 9", so in the event that your vehicle doesn't fit in the basement, you will need to park upfront. It will be subject to a first come, first serve basis as there is only twelve spots and we cannot reserve or hold parking spots. All vehicles must be registered to avoid towing at owner's expense. No trailers, boats, mobile homes or RV's and the like are allowed on the property.

A NOTE FROM HOUSEKEEPING

REPORT ISSUES-If you have any maintenance, housekeeping or inventory issues in you room, please report these to the front desk ASAP so that we may address them.

CHECKING IN-We have to ask that you please be patient. Check in time is not until 5:00pm. DO NOT go into your unit or ask staff members about the status of room. Your room goes through a cleaning and two inspections before it is actually released.

If your room becomes available before 5:00pm the front desk will be happy to check you in.

CHECKING OUT-At check out please follow the list of things to do before you leave so that you are not charged an additional \$50.00 cleaning fee and do not check out until everyone has completely left.

STORAGE OF ITEMS-We are sorry, but we can not hold items for you until your next visit. **FOOD LEFT IN UNIT**- It is okay to leave food behind in your unit if it is unused and wrapped up. Please do not leave food items in any of the cookware.
