In Flanders Fields

by John McCrae

*In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

*We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.*

*Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.*

The Town of Kamsack, and its residents, wholeheartedly thank those serving our country in the Canadian Armed Forces; past, present and future.

We remember November 11th, Now and Always

THE BRODA SPORTSPLEX

Your municipality is thrilled to announce that the Broda Sportsplex opened to the public on October 19th!

While we await the first puck drop and the first stone to curl along pebbled ice, we want to ensure that everyone is aware of the changes that have been implemented at the Broda Sportsplex to help protect the health and safety of everyone at this facility. A few of the mandatory changes include, but are not limited to, wearing a mask while inside the facility and staying home when you are sick or experiencing symptoms.

The complete Broda Sportsplex Re-Open Plan is available at <http://www.kamsack.ca/covid-19.html>.

Please review the re-open plan carefully before visiting the arena. This facility's re-open plan was developed through the use of Public Health Orders, the Re-Open Saskatchewan Plan and the Return to Play Guidelines issued by Saskatchewan's hockey and curling governance bodies.

In addition, the town is in communication with private user groups. For instance, Kamsack Minor Hockey has a Covid-19 Coordinator and this individual will be able to address any concerns or questions related to minor hockey.

Public users also have additional requirements. Anyone participating in Public Skate must complete a User Access Form before using the facility and sign in upon arrival to ensure contact tracing is possible. This form is available at the Broda Sportsplex, Town Office and our website, <http://www.kamsack.ca/covid-19.html>.

User groups will notice change; but if we work together, we will be able to get back on the ice!

Did you know that residents must remove snow and ice from the sidewalks next to their property?

The snow and ice cannot be placed on public property, including streets. Learn more about Kamsack's Bylaws at <http://www.kamsack.ca/bylaws.html>
