

Behavioral Specialists of Louisiana  
925 Olive Street  
Shreveport, LA 71104

### **Job Description: Behavior Technician**

The specific role of the Behavior Technician is to provide intervention, teaching, and support to children and/or young adults under their care. Behavior Technicians provide 1:1 behavior intervention to children and/or young adults and report directly to a Lead Therapist and BCBA. Behavior Technicians are responsible for implementing the specific ABA programs as written by the BCBA.

Behavioral Specialists of Louisiana utilizes multiple ABA-based teaching strategies such as Discrete Trial Training, PRT, PECS and other play-based ABA techniques. Behavior Technicians will be trained to reliably implement these strategies and are required to collect data during every session.

### **Job Duties and Responsibilities**

Behavior Technicians will regularly perform the following duties:

- Complete orientation and ongoing training
- Collect data electronically
- Provide teaching programs and reinforcement to people in their care
- Assist with activities of daily living for people in their care
- Work with supervisory staff for ongoing program modification
- Complete weekly supervision

### **Requirements**

- High school diploma
- Able to pass a criminal background check
- Must have legal authorization to work in the United States
- Minimum of six month's experience working with children, adolescents, or young adults (preference special needs)
- Ability to independently and repeatedly lift, move, and carry objects weighing a minimum of thirty-five (35) pounds
- Valid driver's license and current insurance meeting state law
- Love of children
- Ability to follow instructions
- Flexible
- Ability to work in a fast-paced environment
- Ability to work collaboratively with a team
