Ranch Horse Division

This division is to provide a competition that would simulate what a horse might perform on a ranch, moving and working cattle, navigating gates and moving things, and also show the horse/rider connection by performing a simple pattern: A horse that is a pleasure to lope out to check cattle and is pleasing to the eye, using minimal tack. The discipline is western but not breed specific. Good solid working gear for both rider and horse is the only dress and tack requirement, so long as they are in keeping with the minimal tack rules. At this show we encourage cross entering into non-ranch classes so things such as banded manes and hoof polish are not penalized.
